*Pass Rates on NCE:* 100% of graduate respondents were scheduled to take the NCE exam within the next one month following graduation and were planning to apply for the LAC immediately upon receiving passing NCE scores. As of March 9, 2022 19 students reported their NCE scores back to the program. All 19 of these students passed the NCE. Follow Up surveys are sent out monthly in an attempt to gain the remaining scores.

*Job Placement Rate:* As of August 2021, nine (9) out of 20 graduates reported they had a job lined up for post-graduation. As of March 9, 2022, 14 students responded that they have their LAC. Out of those 14, 12 confirmed that they had either a part time or full time job in the field of mental health counseling.

*Completion Rate:* The first cohort (anticipated graduation in May 2021) began with 26 students. The first year concluded with 24 students in the program. Out of those 24, 23 students graduated in May 2021.
