

MEMORANDUM OF AGREEMENT

WORKSHOP and INSTITUTE TEMPLATE

In general, the College and the SFT agree that all initiators of workshops or institutes for faculty will submit the attached WORKSHOP PROPOSAL FORM to the chief negotiators for the College and the SFT to expedite negotiation of responsibilities and compensation for said workshops. It is agreed that not all workshops (e.g., technology boot camps) will involve compensation to facilitators and /or participants.

Participants

Every effort will be made to assure that compensation to workshop participants will be fair and equitable, with the parties understanding that some workshops may require a greater level of preparation and /or follow-up activities. When participants are paid, the minimum per diem for workshops lasting five (5) or more hours will be \$300 per day. The minimum for morning or afternoon workshops lasting approximately three (3) to four (4) hours will be \$150 per day.

Facilitators

Every effort will be made to assure that compensation to workshop facilitators will be fair and equitable, with the parties understanding that compensation may vary depending on the facilitator's contractual responsibilities, workshop length, and demands regarding preparation and/or follow up activities.

When a workshop is to be offered by a person whose contractual responsibilities may include offering the workshop, s/he must seek prior approval from the SFT and the administration to receive compensation under this Agreement.

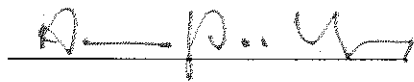

Those proposing summer workshops should submit a proposal that includes the approved source of funding in the attached form electronically to the Office of the Provost, to be forwarded upon receipt to the chief negotiators for the SFT and the College, no later than January 31 of each academic year for consideration for the upcoming summer. Proposals submitted after January 31 of each academic year as a result of emergent opportunities will be considered at the discretion and agreement of both the chief negotiators for the SFT and the College.

TERM OF AGREEMENT

This Agreement shall remain in full force and effect from this date until August 30, 2017 unless modified by changes in the Master Agreement. The Agreement shall automatically be renewed from year to year thereafter, unless either party shall give to the other party written notice of its desire to terminate, modify or amend this Agreement. Said notice shall be given the other party in writing no later than 30 days prior to August 31, 2017, or 30 days prior to August 31 of any succeeding year for which this Agreement is automatically renewed.

IN WITNESS THEREOF, the College and the Stockton Federation of Teachers have caused this Memorandum of Agreement to be executed this 31st day of October 2014.
