# STAY ON TRACK!

First and foremost, **celebrate!** You should be proud of yourself! Share the good news by posting a photo to Facebook or Instagram with [#StocktonU](#)

You probably have a lot of questions. Now is the time to learn all you can about Stockton in order to make an informed decision about your future. We're here to help you every step of the way!

Visit [stockton.edu/accepted](http://stockton.edu/accepted) for information to help guide you through the enrollment process.

**Get to know your Z#.** Your Z# is your unique Stockton ID and it is used to log in to your [goStockton](#) portal. Please locate the enclosed portal login sheet for instructions on how to change your password and log in to your portal.

**Come see us!** Visit us for the first time, or come back and take another look. You can view our campus visit options at [stockton.edu/visit](http://stockton.edu/visit).

## Ready to join us? Confirm your enrollment!

**Submit your enrollment deposit.** Secure your spot by paying the \$250 deposit via your [goStockton](#) portal.

**Live at Stockton!** If you'll be living on campus, apply for housing under the Student Life tab in the [goStockton](#) portal and submit your \$150 housing deposit. On-campus residents and commuter students can also apply for a meal plan.

**Accept your financial aid offer.** Once you receive your financial aid notification via your Stockton email, you can log in to your [goStockton](#) portal to view and take action on your offer.

## The countdown is on... your final steps.

**Submit your immunization records.** Prior to registering for classes or receiving your housing assignment, all full- and part-time students must provide immunization information to meet University and New Jersey state requirements.

**Complete New Student Orientation.** Orientation will introduce you to life as a Stockton student! Additional details will be provided once you submit your enrollment deposit.

**Request your final transcript(s).**

**Transfers:** Please note that any courses still in progress cannot be evaluated until you complete the course and an updated transcript has been sent to us.

**First-year students (Freshmen):** Make sure we have your final transcript as well as any documentation related to AP, IB or college credits you earned during high school.

FIRST-YEAR STUDENTS (FRESHMEN) ONLY: **Take Your Placement Tests.** Students who have not submitted SAT or ACT scores must complete placement testing for math, reading and writing. Students who submit SAT or ACT scores may have to complete math placement testing only, depending on their math SAT or ACT score. Visit [stockton.edu/placement-testing](http://stockton.edu/placement-testing) for more details.

# A LETTER FROM THE OFFICE OF GLOBAL ENGAGEMENT

Dear Accepted Student,

**On behalf of the staff of the Office of Global Engagement (OGE), welcome to Stockton University!** Now that you have been admitted, the OGE will help you make a smooth transition into the Stockton community. From orientation to graduation and beyond, we are ready and excited to assist you in creating a successful academic career at Stockton.

**We have a special orientation designed just for international students** where you will learn about all the Stockton resources and programs to better support you. This is a mandatory session, and all international students must attend to complete the check-in process per the Department of Homeland Security (DHS) regulation.

**The International Student Orientation will be hosted on Friday, September 1, 2023 (tentative).** You will receive a separate reminder with more details after you receive your I-20.

**Note:** The International Student Orientation is mandatory. Failure to attend the orientation and complete the check-in process may have negative consequences on your visa status.

**Please bring to the orientation the following documents to complete the check-in process:**

- 1) Passport and visa
- 2) I-20\*
- 3) I-94
- 4) Health insurance card\*

We look forward to meeting you at the orientation. In the meantime, if you have any questions, please contact us at [OGE@stockton.edu](mailto:OGE@stockton.edu).

Warmly,  
Dr. Jiangyuan (JY) Zhou  
Office of Global Engagement

*\*The check-in process is required for all newly admitted students in the U.S. with F-1 status or currently overseas and will obtain F-1 status in the future.*

# ENROLLMENT CONFIRMATION - FALL 2023

You have been admitted to Stockton University, **entering in the Fall 2023 term**. To confirm your enrollment, you must submit a \$250 deposit.

If paying by credit card or electronic check, please log in to your goStockton portal to complete payment. Do not return the below form.

If paying by check or money order, complete the form below and return in the enclosed reply envelope. Checks and money orders should be made payable to Stockton University.

The enrollment deposit reserves a place for you in the **Fall 2023** academic term. The deposit is nonrefundable and non-transferable but will be credited to your first term tuition once you register for classes. If you have been accepted to a special program, please refer to your acceptance letter for deposit deadline and instructions.

# RESIDENTIAL LIFE - FIRST-YEAR STUDENTS

Wake in the morning to rustling leaves and chirping birds or the crashing of waves against the shore ... either way, you will be joining a vibrant community if you choose to live at Stockton!

Living on campus is an essential part of many students' Stockton experience as it provides an opportunity to build meaningful relationships with other students, as well as our faculty and staff.

If you plan to join us on campus, have you...

- ☐ **Taken a tour?** Visit [stockton.edu/reslife](https://stockton.edu/reslife) to take virtual tours of all available housing options.
- ☐ **Reviewed the costs?** We aim to make living and learning at Stockton as affordable as possible. You can find and compare the cost of our various housing and meal plan options on the back of this page.
- ☐ **Considered joining a TLC?** Our Themed Learning Communities (TLC) provide students the opportunity to continue their learning outside of the classroom through experiential programming. Learn more about community options on our website.
- ☐ **Paid your housing deposit?** After paying your enrollment deposit, log in to your [goStockton](https://goStockton.com) portal to pay the \$150 housing deposit.
- ☐ **Completed your housing application?** Find the housing application within the Residential Life section of your portal's Student Life tab. After applying, you can indicate your hall and personal preferences, as well as search for a roommate or request one, if you have a friend you want to live with.

\*Please carefully review the housing contract terms prior to completing the housing application. The \$150 deposit is a nonrefundable fee. Cancellations after students receive their housing assignments will be charged a \$500 cancellation fee. Housing is awarded based on available space and in order of receipt of application. Roommate and location preferences are carefully considered but cannot be guaranteed.

# FAQS

## WHEN DO I ...

### **...submit my enrollment deposit?**

As soon as you know Stockton is the university for you! Since your deposit can impact your next steps, such as your housing assignment and getting invited to orientation, it benefits you to submit your deposit as soon as possible but no later than:

- **Spring 2023:** December 1, 2022
- **Fall 2023:**
  - First-year students (Freshmen): May 1, 2023
  - Transfer: As soon as possible after acceptance

### **...apply for housing?**

After you submit your \$250 enrollment deposit. You will be able to complete the housing application via the Student Life tab of your [goStockton](#) portal and submit the \$150 housing deposit. Check both your personal and Stockton emails for updates regarding when the application is available and any deadlines.

### **...pick my classes?**

All students who have submitted their enrollment deposit will be invited to New Student Orientation & Registration. Details will be sent to the email address you used to complete your application (not your Stockton email). You'll register for classes with our T.A.L.O.N.S. (Transition Activity Leaders of New Students) and faculty during your registration session. Visit [stockton.edu/nso](#) for more information. Please note that all placement testing should be completed prior to New Student Orientation & Registration. Your specific placement testing requirements will be emailed to you in advance of Orientation & Registration.

### **...move in?**

New student move-in occurs several days prior to the start of classes. You will be notified of your housing assignment, roommate(s) and specific move-in date and time via your Stockton email.

## HOW DO I...

### **...transfer my credits?**

All transfer students will receive an initial credit evaluation shortly after being admitted; this evaluation will tell you how many credits have been transferred and how they satisfy your degree requirements. A degree audit will be available on Degree Works in the Student Services tab of your portal. Courses still in progress will be evaluated for credit once complete and we have an updated transcript.

First-year (freshmen) students with college credits, AP and/or IB credits must submit appropriate documentation (official college transcript, AP scores and/or IB diplomas) prior to Orientation in order to receive transfer credit.

## WHERE DO I...

## DIVISION OF STUDENT AFFAIRS

Dear Student:

Congratulations and welcome to Stockton University!

Prior to class registration and housing assignments, all matriculated full- and part-time undergraduate and graduate students must provide immunization information to meet University and New Jersey state requirements. Compliance with these requirements is mandatory in order to begin the process of attending the University.

### Required Immunizations:

- Measles, Mumps and Rubella: All students must provide vaccination documentation of two doses of measles, one dose of mumps and one dose of rubella vaccine given on or after the student's first birthday. Two MMRs will be accepted.
- Hepatitis B: All incoming full-time students must provide documentation of a completed series of three vaccinations or the two-dose adolescent series (must specify Recombivax and been given between ages 11-15) against hepatitis B.
- Meningitis: All students under the age of 19 must show documentation of one dose of the meningococcal vaccine (protecting against the following strains: A, C, Y, and W-135) received at age 16 or older regardless of whether they are residential students.

### Increased Risk Students:

- Based on Meningitis Survey responses, students also may also be required to provide documentation of a completed series of Meningitis and Meningitis B.

### Residential Students:

- Meningitis: All students, regardless of age, who intend to live in University housing must show documentation of one dose of the meningococcal vaccine (protecting against the following strains: A, C, Y and W-135) received at age 16 or older in addition to measles, mumps, rubella and hepatitis B requirements.

Requests for religious exemption from these requirements must be submitted to the Office of Health Services. A written request must be attached to the *Request for Medical or Religious Exemption from Vaccination Requirements* form and must be written by the enrolled student if aged 18 or over and specifically state the religious doctrine that prohibits immunization. Stockton University reserves the right to approve or decline the exemption request.

Requests for medical exemption should be submitted to the Office of Health Services as a written statement from the student's health care provider indicating the vaccine that is contraindicated and the specific medical condition and must be attached to the *Request for Medical or Religious Exemption from Vaccination Requirements* form. Stockton University reserves the right to approve or decline the exemption request.

Failure to comply with the requirements listed will prevent registration for classes and/or housing eligibility.

Deadlines:

### Fall Entry:

*General Requirements:* June 1

*Residential Requirements:* June 1

### Spring Entry:

Two weeks after acceptance of enrollment and/or housing deposit submission

Immunization forms/documentation must be mailed to the address below, faxed to 609-626-5586 or uploaded to: [immunization.stockton.edu](http://immunization.stockton.edu). Keep a copy for your records. **Do not submit forms to any other department.**

Stockton University  
Attn: Office of Student Health Services, WQ108  
101 Vera King Farris Drive  
Galloway, NJ 08205

Forms and additional information can be obtained at [stockton.edu/wellness](http://stockton.edu/wellness) or via email at [wellctr@stockton.edu](mailto:wellctr@stockton.edu).

We look forward to assisting with all of your health care needs and extend our best wishes for a safe, healthy and successful experience at Stockton University.

**NEW JERSEY STATE LAW**

This law requires that all undergraduate and graduate students 30 years old and younger, enrolled in a program of study leading to an academic degree, must provide the University with proof of having received two doses of measles vaccine and at least one dose of mumps and rubella vaccine, either separately or as a combined MMR vaccination, and the hepatitis B vaccination series or laboratory proof of immunity to each of these infections. All students under the age of 19, and all students with certain risk factors, are also required to provide proof they received the meningitis vaccine after age 16. Students must get this information from their health care provider.

All students enrolled in a program of study leading to an academic degree at a public or private institution of higher education who reside in a campus residential facility, regardless of age, must receive a meningococcal vaccination as a condition of residence at that institution.

All incoming students must be provided with information about meningitis and the availability and benefits of the meningitis vaccine. All incoming students must complete and return the enclosed survey.

Meningococcal disease is a serious bacterial infection caused by *Neisseria meningitidis*. The bacteria can invade the body, leading to severe swelling of the tissue surrounding the brain and spinal cord (meningitis) or bloodstream infection. Both types of infections are very serious and can be deadly in a matter of hours. Even with antibiotic treatment, 10 to 15 in 100 people infected with meningococcal disease will die. Up to 1 in 5 survivors will have long-term disabilities, such as loss of limb(s), deafness, nervous system problems or brain damage. Students attending college are at higher risk of getting meningococcal disease, especially first-year students living in residence halls. The best way to protect yourself from the meningococcal disease is to get vaccinated. For more information about bacterial meningitis and the meningitis vaccine, contact Health Services at 609-652-4701 or consult your private health care provider. You can also find information about meningitis and the vaccine at [acha.org](http://acha.org) and [cdc.gov/meningitis](http://cdc.gov/meningitis).

*A registration hold will be placed on your account if you fail to provide appropriate documentation of immunity to measles, mumps, rubella and hepatitis B. This hold will prevent any registration activity until it is removed. Students who want to live in campus housing must provide proof of having received a meningococcal vaccination in order to receive your key to move in to your campus housing. Students to whom the requirement applies will not be permitted to register for classes until showing proof of the meningococcal vaccine.*
