CHOOSE STOCKTON

Dontae McFadden '23
Historical Studies & Education

I earned my associate degree from Mercer County Community College (MCCC), which participates in Stockton's Transfer Pathways program. Transfer Pathways is a dual admission option for students attending community college who are looking to transfer to the University level. Through the program, I was conditionally accepted to Stockton while I completed my studies at MCCC.

Transfer Scholarships*

Accepted transfer students are considered for scholarships based on previous college performance.

Excellence in Academics

Award Transfer Scholarship

GPA 3.4 – 3.74 ^ = \$1,000/year

GPA 3.75 – 3.99 ^ = \$2,000/year

GPA 4.0 ^ = \$3,000/year

- Must have 24 or more earned, transferable, non-basic skills credits from a regionally accredited undergraduate institution.
- Cumulative GPA minimum: 3.4
- New transfer applicants only; students reapplying for readmission, freshmen or second bachelor's degree applicants do not qualify.

* All award recipients must complete the FAFSA. Full-time enrollment only (12+ credits per semester). Continuous enrollment required to maintain scholarship. Must maintain cumulative Stockton GPA of 3.0. Scholarship remains in effect for up to six (6) consecutive semesters for transfer students. Award cannot be used for summer courses. Visit stockton.edu/scholarships for more details.
^ Transcripts from all institutions previously attended will be used to calculate cumulative GPA.

How long will it take me to earn my degree at Stockton?

Most degrees at Stockton require a minimum of 128 credits to complete. Some require more.

Will credits I earned at an institution that is not regionally accredited transfer?

Unfortunately, no.

Additionally, we are not able to accept credits from certificate-granting proprietary institutions, such as computer science institutes or technical business schools that are unaccredited.

If I do not hold an associate degree, can I still transfer to Stockton?

Yes, your transcript is then evaluated on a course-by-course basis.

Does my grade point average transfer?

No. You start with a new GPA at Stockton.

Are county college credits accepted at Stockton?

Yes! Stockton guarantees that if you hold an Associate in Arts (AA) or Associate in Science (AS) from a New Jersey community college, or an accredited community college from another state, we will accept the degree intact, up to 64 credits. Associate in Applied Science (AAS) degrees will be evaluated on a course-by-course basis. Find out if your county college participates in Stockton Transfer Pathways for added benefits. stockton.edu/pathways

How will I know which credits have transferred?

With your admission acceptance, you will receive a preliminary transcript showing the number of credits approved for transfer. When you meet with an advisor during Orientation & Registration, you will receive a document showing how the credits count toward your intended major. In addition, you can evaluate your earned credits with a self-audit through Degree Works prior to entering.

Free Tuition & Fees Programs

The Stockton Promise grant and Garden State Guarantee are last-dollar programs created to help NJ students afford a college education. Eligible students may have their tuition & fees fully covered. Complete your Stockton application and your FAFSA for consideration. Learn more at stockton.edu/promise and stockton.edu/gsg.

PTK scholars may qualify for additional scholarship monies.

Transfer up to **64 credits** from a regionally accredited community college and up to **96 credits** from an accredited four-year school.

- We have a liberal policy for credits more than 10 years old and course-by-course evaluation for credits more than 30 years old.
- Even if your previous school was on a three-credit system, you will receive full acknowledgement for the class. Any remaining credits can be packaged together to make up one complete class.
- Stockton transcript evaluators help you determine what credits transfer, including Advanced Placement (AP), CLEP or military credits.

DEGREE WORKS

Use **Degree Works** to see how your credits stack up. You can access this audit through stockton.edu/transfer. The Degree Works audit will enable you to see exactly how your transfer credits will be applied to the degree you have chosen.

STOCKTON TRANSFER Pathways

Stockton Transfer Pathways is a dual admission option with participating New Jersey community colleges. Students entering this program receive conditional acceptance to Stockton while working on their associate degree at one of our partner institutions. Visit stockton.edu/pathways for details.
