SUMMER - AUTUMN 2016

Older Adult Education Programs

2016 SCOSA Older Adult Program Catalogue

June 15, 2016

Greetings,

Summer is approaching... To celebrate summer and to look forward to autumn, SCOSA is pleased to present a variety of programs in Atlantic and Ocean County for the second half of 2016. As you review our extensive program guide, we hope you'll consider joining us for as many events as your schedule and interests allow. We'd be grateful if you'd share this with other interested friends and family.

The schedule on the pages at the end of this booklet gives you a quick look at the offerings. Program descriptions and registration details are listed throughout the booklet.

Many of our scheduled programs include a meal or refreshments compliments of the site or facility hosting the event. Those events will be marked with a sliced apple icon indicating refreshments, snacks/meal or a teapot icon indicating beverages only so you can identify them quickly and easily. These events have been developed to give you an opportunity to meet with like-minded individuals, sharing your concerns, and gaining insight and answers to your questions. Share a meal... share a thought. It also gives you a better opportunity to interact with the presenter. This season our special thanks go out to Stockton Kramer Hall, Manahawkin Instructional Site, Stockton Carnegie Center, Woodview Estates, Brandywine Senior Living, Spring Village, Village Grande, Otto Bruyns Public Library, Hammonton Canoe Club Senior Center, and Swan Bay Folk Art Center for hosting these events.

Please be sure to mark your calendar for Wednesday, August 17th – when SCOSA presents a quartet of Programs with Spirit featuring Sharing Across

Generations, Let Your Imagination Soar, Guided Autobiography and Origami. Older adults and professionals are invited to attend this day long event at Stockton Kramer Hall which includes a complimentary luncheon. Regularly check the SCOSA website for details, updates.

SCOSA's programming is made possible through our many volunteer presenters, collaboration with other organizations, and generous financial support from our sponsors and individual donors.

Financial supporters include: Stockton's Division of Academic Affairs, the U.S. Administration on Aging through Older Americans Act funds provided by the Atlantic County Division of Intergenerational Services, the Wallerstein Foundation for Geriatric Life Enhancement, WeWorkforHealthNJ, and the many sponsors, exhibitors and advertisers at our annual festivals.

This calendar represents only a portion of SCOSA's efforts to "nurture body, mind, and spirit through research, education, and service". Refer to our website regularly for news of other events, updates and event cancellation procedures. Please join our e-mail distribution list to receive monthly announcements of SCOSA events and news briefs.

Sincerely,

The SCOSA Leadership Team

Pickleball

Dates: Mondays & Wednesdays

(Check the [SCOSA website](#) for the summer schedule).

Time: 8:00 am - 10:00 am

Location: Stockton University Sports Center
101 Vera King Farris Drive, Galloway

Requirements: [Register online](#) or call 609-626-3591. Players must register in advance. Registrants will receive an email confirmation with play dates. Play will begin on the first play date of each month following registration. Players must sign-in upon arrival at the registration desk before being allowed to play and may be required to show identification.

Traditionally, pickleball is played on a badminton-sized court with special Pickleball paddles. The lower net and wiffle ball allow the game to be accessible to people of all ages and abilities. Unlike the power of the serve and higher net in tennis, players must bounce the ball once on each side before volleys are allowed. This opens the game to more players and extends play for more fun.

SCOSA Older Adult Participant Pool - A Resource for Faculty Researchers.

A common barrier to investigating issues relevant to aging is gaining access to a group of participants. The process of recruiting participants can be expensive and time consuming. SCOSA has begun to build a database of older adults (65 and older) willing to participate in scholarly research.

Interested faculty researchers should contact John.Bulevich@stockton.edu for more information about the process of requesting older adult participants.

Older adults wishing to be considered as research participants can also contact John Bulevich by calling 609-652-3821 or using the above email address. For more information visit

Presenter: Norma Boakes, EdD

Origami, the art of paper folding, is not only fun but beneficial to the mind and hands, practitioners say. "Creating art can aid seniors in communicating with caregivers and family, promoting awareness and self-expression, relieving anxiety, and coping with transition, confusion, illness, or discomfort. It can be a fun experience that residents look forward to and take great pride in. Everyone can participate, not just those with prior artistic experience" (American Art Therapy Association).

Norma Boakes is a full time faculty member for the School of Education specializing in math education. She is also the creator and instructor of the popular general studies course on campus called The Art and Math of Origami. Students in this course are taught the art of paper folding while being exposed to history, culture, and math topics. An active researcher on the benefits of Origami, her work has recently brought her overseas to present in Tokyo, Japan and to Maseru, Lesotho to train math teachers on the use of Origami as an instructional tool.

One-Stroke Painting is sweeping the decorative painting world. It's fun. It's easy. It's quick. One-Stroke is a multi-loading style of acrylic decorative painting that is very friendly to novice painters and used on metal, plaster, glass, wood, fabric and ceramic surfaces. You will be excited too, when you find out for yourself how easy One-Stroke is. Imagine, blending, shading, and highlighting all in One Stroke! Classes teach you to freehand various strokes and to build your own unique pattern.

Special Thanks

SCOSA would like to extend our sincere gratitude to all of our volunteer presenters. Over the years we have been fortunate to be able to offer most of our programs free of charge to older adults and that is due to their generosity and willingness to share their expertise with our older adult community. *Our planners and presenters have noted that they have no conflict of interest or commercial interest to disclose and that there is neither commercial support nor sponsorship for their presentations.*

Some of the older adult programs offered by SCOSA are partially funded under Title III of the Older Americans Act of 1965, as amended, through a grant by the Division of Intergenerational Services, Atlantic County, New Jersey. You may make voluntary donations to SCOSA. Such donations are not a fee and are not required. Any donations received will be used to develop and operate future programs. If you wish to donate directly to SCOSA please make your checks payable to SCOSA and send them to: SCOSA/SOBL, Stockton University, 101 Vera King Farris Drive, Galloway, NJ 08205-9441.
