SAVE THE DATE: November 17th for SCOSA'S Annual Hesburgh Lecture and Panel

4:30pm - 5:45pm, Stockton University Campus Center Theatre

This year's Hesburgh Lecture offered by SCOSA in collaboration with the Notre Dame Club of South Jersey and the University of Notre Dame Alumni Association will feature Dr. Kwan S. Kim, Ph.D. Professor Emeritus of Economics; Fellow, Kellogg Institute for International Studies and Liu Institute for Asian Studies, all at Notre Dame. After taking a fresh look at the magnitude of global poverty, Dr. Kim's lecture identifies the domestic and global sources of vulnerability facing the poor, and explores the local, national, and global actions needed to end extreme poverty and hunger in the context of social justice.

The lecture is offered as part International Education Week, sponsored by Stockton's Office of Global Engagement, and will be followed by a panel discussion chaired by Dr. Michael Rodriguez, Associate Professor of Political Science and Director of the Washington Internship Program at Stockton University, and featuring Dr. Scott Aughenbaugh, Deputy Director of Strategic Futures at the Center for Strategic and International Studies (CSIS), and Eddie Wright, Communications Specialist for the United Nations Population Fund (UNFPA). Flower Bulb Sale to Benefit Habitat for Humanity

Stockton's Alternative Spring Break program works with the Collegiate Challenge division of Habitat for Humanity. This year Stockton is hoping to send 40 students to help build houses for those in need during our break.

The students fundraise \$300 per person to participate in the trip. The first fundraiser this semester is through Dutch Mill Bulbs. They have an online flower bulb sale in which Alternative Spring Break receives 50% of the sale cost and the items are mailed directly to your house. Now is the time to get your spring bulbs in the ground so please consider supporting this great cause. Order your bulbs by November 7th from the following link: <http://groups.dutchmillbulbs.com/stocktonuniversity.php>.

If you have questions, please contact Jennifer Forman Radwanski, M.Ed., Associate Director of Event Services and New Student Programs at 609-652-4421 or e-mail Jennifer.Radwanski@Stockton.edu.

Intergenerational Service Project

Are you looking for a new way to provide service to our community? Then consider joining SCOSA's Intergenerational Service Project. We'll be pairing older adults in the community with students to work together on different service projects throughout the school year. Couples are certainly welcome and can be paired with two students.

It's free to join and hopefully will create lasting connections that make a positive impact on community organizations and agencies in need. Contact Christine Ferri (Christine.ferri@stockton.edu or 609-626-6040) to join this special project.
