This bid waiver increase will enable the Office of Facilities Planning and Construction to upgrade fifteen additional fume hood control systems in Unified Science Center I (“USC I”). The current fume hood controls are outdated, leading to insufficient face velocities. The speed at which the air is drawn into a fume hood is critical for safe and effective operation. If the speed is too high or too low it can compromise the performance of the fume hood, leaving those near the hood in danger. Accuspec will provide and install a control board upgrade, remove and replace the current fume hood monitor and sensors, install new sensors compatible with the upgraded control system, provide wiring services, and configure and test each fume hood control system for proper operation. Accuspec installed the original equipment and is familiar with the system and how the air circulates through the building and has already upgraded twenty-seven fume hood control systems in USC I. POLICY

Office Hours, Work Week, Lunch Period, Breaks and Emergency Closing

Policy Administrator: Associate Vice President for Human Resources
Authority: N.J.A.C. 4A:6-2.1
Effective Date: January 20, 1975; May 30, 2009; August 10, 2010; February 16, 2011;
September 26, 2018; TBD
Index Cross-References: Policy VI-23 Managerial Hours of Work
Policy File Number: VI-11.1
Approved By: Board of Trustees

Departmental Office Hours - All University offices must have staff coverage, at a minimum, between 8:30 a.m. to 5:00 p.m. Monday through Friday. Staff may be required to implement staggered starting and departure times to conform to the required hours of operation. The Supervisors are responsible for adhering to the University’s minimal hours of operation and ensuring appropriate staff coverage.

Work Week - Regardless of the scheduled starting time, the Civil Service Commission determines the standard hours for a work week for all Classified positions.

Lunch Periods - Lunch periods shall be no longer than one hour. The Supervisor may assign staggered lunch periods to provide adequate office coverage. All offices should always have complete telephone and office coverage; to assure coverage, advise co-workers whenever one must leave the office for any reason coverage.

Breaks - In accordance with the collective bargaining agreements, each employee will be given two 15-minute breaks. One is to be taken in the morning, and one in the afternoon. The unit supervisors will assign these breaks to assure proper staff coverage of their offices. These breaks may not be combined or used by the employee at the beginning or end of the day or lunch period.

Emergency Closing - The University will normally remain open to meet scheduled classes. This includes being open during periods of inclement weather. For purposes of this Policy, inclement weather shall mean an actual or imminent change in the weather that is serious enough to disrupt all or a material portion of the University operations. The President or a designee, shall determine whether a period of inclement weather requires the closing or curtailment of University operations. Evacuation of the University buildings, for example during report of a bomb scare, does not constitute the closing of the University and employees are expected to promptly return to the building at the end of the evacuation period.

If University facilities are ordered closed by the President or designee, then an excused non-chargeable absence will be granted to that group of employees specifically included in the emergency closing order. Unless notified that they or their shift is excused, essential employees are expected to report to work.

During inclement weather (for example a severe snowstorm) essential employees are
expected to report to work, exercising caution and prudence during their commute. Essential employees who are not present for duty will be charged accrued leave time.

Students are expected to meet financial obligations as they accrue at the University. This includes tuition, fees, housing and meal plan charges that must be paid by the deadlines announced by the Bursar’s Office.

A student indebted to the University for any reason will not be permitted to register. Final grades and transcripts* will not be issued for a student unless all financial obligations to the University have been met. Tuition, fees, housing and meal plan charges paid after the announced deadlines will be subject to late payment fees.

Students may apply for a payment plan to defer all charges. However, enrollment in a payment plan must be completed by the payment due date. Non-payment of deferred tuition or receipt of a dishonored check may result in a cancellation of the student's registration for the term.

* The conditional release of transcripts to third-party employers for students seeking gainful employment will be reviewed on a case-by-case basis by the University Bursar.
