Policy File Number: VI-10.3

Approved By: Board of Trustees (pending)

Stockton University is committed to high standards of staff performance that will sustain and extend the excellence we have achieved. Therefore, the University is committed to a comprehensive evaluation for its employees. In support of Stockton's mission, the institution conducts performance evaluations of its employees as dictated by the respective job classifications. The performance evaluation provides valuable feedback and information to the employee and supervisor. The evaluation process also creates the opportunity for discussion related to the achievement of performance goals and objectives.

Approved By: Board of Trustees (pending)

The following establishes the employment and compensation plan for managerial employees. Managerial employees are those employees whose positions are defined as unclassified and not being within a State-recognized bargaining unit.

It is the policy of the University that an employment and compensation process be adopted and implemented for employees designated by the University as managerial employees. The process to determine salary is intended to facilitate recruitment of highly qualified employees and provide competitive compensation and benefits.

To determine salary, the President will evaluate the level of responsibility and accountability of the position, independent judgment required of the incumbent, the scope of authority of the position, and the knowledge required to effectively perform the duties of the position. Salary determinations include relevant equity considerations.
