	<p>President Kesselman presented five policies to the Board for first reading. The policies will move forward for second reading at the December 5, 2018 BOT meeting. They are as follows:</p> <ul style="list-style-type: none"> I-9 Board of Trustees By-Laws I-12 Strategic and Annual Planning II-81 Computing and Communication Technology Access and Use III-70 Financial Aid Program VI-60 Real Estate Transaction Committee
<p>Personnel Actions Resolutions</p>	<p>Chairperson Schoffer announced the Board's review of the Personnel Actions Resolution, which was posted on the University's website for review.</p> <p>Upon a motion duly made by Trustee Dolce and seconded by Trustee Ciccone, the Board voted to adopt the resolution.</p> <p>President Kesselman acknowledged Jeanne Lewis who is retiring after 47 years of service in Financial Aid.</p> <p>President Kesselman recognized Bill Bearden who is also retiring.</p>
<p>Board Comments/ Comments from the Public</p>	<p>Student protestors addressed the President and the Board of Trustees regarding the recent allegations of campus sexual misconduct. They proposed a list of demands regarding the alleged sexual assaults on campus, campus safety and white supremacy. Dr. Kesselman responded to the list of demands and asked to meet with the students to come up with a plan of action. Student demands are as follows</p> <ol style="list-style-type: none"> 1. <i>We demand advocacy for sexual assault victims during the reporting process, and we demand a transparent reporting process that is visible to victims via Stockton's webpage.</i> 2. <i>We demand a serious increase in resources for the Women's, Gender, & Sexuality Center, including, but not limited to: Its own dedicated space separate from the Counseling Center; proportional funding to fund programming and other necessary resources for students; and additional human resources, including an assistant director. The Atlantic City campus was put up in a very short time yet the Women's, Gender, and Sexuality Center, which was approved in 2014, has yet to have its own safe space. This needs to change.</i>

3. *We demand a 24-hour rape crisis hotline, manned by multiple trained faculty, staff, and student volunteers. We demand transparency for this hotline. We demand it be posted to the front of Stockton's webpage, immediately.*
4. *We demand multiple GreenDot/Osprey Advocacy trainings throughout the year, at convenient times for students-- not the sole one we currently have, on spring break, which is inconvenient for nearly every student, and which works to keep sexual assault a serious problem for the Stockton community.*
5. *We demand an immediate, explicit, and unequivocal condemnation by the University of white supremacy in all its form, beginning with a statement against the white supremacist flyers distributed on campus in fall 2017. As intersectional feminists, we know that racism and sexism are inextricably linked, and we stand with our fellow students of color who were harmed both by those flyers, and by Stockton's failure to condemn them.*

Trustee Deininger thanked the students for their patience while they waited to make comments and for their commitment to making the Board aware of things happening on campus.

Trustee Ciccone thanked Trustee Deininger for her hard work as Chair of the Board. He then addressed the students and assured them their concerns will not go unnoticed

Dr. Lori Vermeulen recognized Dr. Lisa Calamidas for her service as Interim Dean of the School of Health Sciences and Dr. Peg Slusser who is stepping in as the Dean of the School of Health Sciences. Lastly, Dr. Vermeulen announced Dean Jenny Wagner's plans to return to faculty.

Dr. Christopher Catching congratulated Dr. Marilyn Mason on her new role as the Executive Director of Educational Opportunity and Success Programs. He also introduced Dr. Angel Hernandez, Associate Director of EOF.

Mr. Bob Heinrich, Chief Enrollment Management Officer, welcomed Enrico DeRooy as the new Assistant Director of Admissions and Jessica Henning as the Associate Director of Undergraduate Admissions.

	<p>Mr. Brian Jackson, Chief Operating Officer for the Atlantic City campus invited everyone to join the G. Larry James Legacy Run on Saturday, October 20 and Sunday, October 21, 2018.</p> <p>Dr. Beverly Vaughn, Professor of Music and Mrs. Lynne Kesselman invited all to attend Stockton's Got Talent on October 7, 2018.</p> <p>Dr. Joseph Toth, Director of Library Services, thanked President Kesselman and the Board for approving a line item on a bid waiver that will upgrade their current system.</p> <p>Student Trustee Deon Davis spoke to the students in attendance and encouraged them to seek him out as a Student Trustee resource if they have concerns.</p> <p>A Stockton student recounted her trauma as a victim of sexual assault prior to coming to Stockton and asked the University to provide better resources for victims of sexual assault.</p> <p>A Stockton student expressed concern over what the administration is going to do in response to student demands.</p> <p>President Kesselman responded and asked to meet with all the students in attendance immediately following the meeting.</p>
Next Regularly Scheduled Meeting	The next regularly scheduled meeting will be held on Wednesday, December 5, 2018 at 4:30 p.m. in the Board of Trustees Room, Campus Center.

The Legislature finds further that a decentralization of authority and decision-making to the boards of trustees and administrators of the state colleges in the areas of

personnel, budget execution, purchasing and contracting will enhance the idea of self-government."

Section 2 Membership

The Board of Trustees shall consist of between seven (7) and up to fifteen (15) members appointed, pursuant to N.J.S.A. 18A:64-3 by the Governor of the State of New Jersey with the advice and consent of the New Jersey Senate, two (2) student trustees elected by the student body (one voting student trustee and a student trustee alternate), and the President of the University, who shall serve as a member of the Board, without vote, however, can be counted for the purposes of determining a quorum. At such time as the then Board of Trustees deems it necessary or desirable, the number of members may be increased by a majority vote of the members of the Board of Trustees present and voting at two successive regularly scheduled meetings of the Board. Coach Bancheri is an excellent match for the Head Rowing Coach position. Not only does he have extensive head coaching experience with both men's and women's collegiate programs, he has rebuilt several programs almost from scratch and that is what the Stockton program needs. He also has an energy, a creativity and a vision that will be needed to elevate the program. He has recruited successfully at each of his previous places and similarly has done well fundraising at each of those. He also is very familiar with the area, the waterways, the South Jersey rowing culture. Coach Bancheri's approach to attracting rowers from the campus population should increase the squad numbers quickly and with his ability to develop them, his timetable of 2-3 years for Stockton to be very competitive appears to be realistic.
