

How to Access Stockton University's Student Portal

- **1** Go to Stockton University's website at www.stockton.edu

- **2** Locate and click the blue "go" icon located in the top right corner of the website's home page.

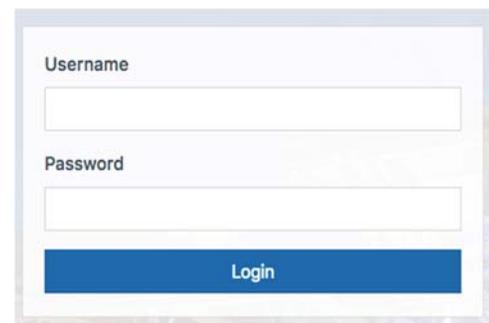

- **3** Click the "Login to goStockton portal" button to be directed to the login screen.

GoStockton Portal Login

- **4** Sign into your account using your assigned Stockton University username (your email address without the @go.stockton.edu), and password.

- **5** You should now be directed to the goStockton portal homepage, where you can access email, blackboard, and other important student resources.
