

**STOCKTON BOARD OF TRUSTEES
FELLOWSHIPS FOR DISTINGUISHED STUDENTS**

- Advisor Form -

Thank you for agreeing to advise a student applicant on his or her fellowship project. Please complete this form to assist the Selection Committee in their evaluation of this project.

Student's Name: _____

Title of Proposal: _____

Project Development Process (check all that apply):

- I met with the student to advise him/her on developing the project.
- I reviewed the final draft of the project and concur with its submission.
- The student's project is of interest to the student and/or has relevance to the student's program of study but is **not required** by the program of study (e.g. class or senior project).
- I believe the student has the skill/ability to complete this project.
- It is reasonable for the student to complete the project in the funding period established.
- The project budget is sufficiently detailed and reasonable for the nature of the project.
- The overall presentation of the written proposal is concise, well-written, and understandable.
- My additional comments in support of the student's project can be found in the required letter of recommendation.
