

We are in the final week of summer break, «First\_Name». As a student enrolled in the Teacher Education Program, you are receiving this email update from the School of Education to provide you with news about several upcoming events and opportunities that may interest you.

**==Space Available in High-Demand Courses==**

Reading your email before drop/add officially kicks off is a great way to snag a seat in that course that closed out in early April. Summer means a lot of people end up changing their plans, so seats are available in these classes. Log into your portal today to add them!

Several Substitute Teacher agencies are actively hiring those who have earned 30 credits: [Kelly Educational Staffing](#) has openings all around our region. [ESS](#) also has contracts with many school districts in south Jersey.

We strongly recommend substitute certification. It costs a little more than just a Criminal Background Clearance that you will need anyway, but working as a substitute pays back that expense quickly, and you get great experience. You can also apply without an agency here: <https://www.nj.gov/education/certification/substitutes/index.shtml>

**== Concentrating on Education ==**

Stockton University originally opened as a Liberal Arts college in 1971, when the state charter did not permit us to offer an Education major. Now fifty years later, our Education majors are those who have already earned a full major in a Liberal Arts area such as Art, Biology, Chemistry, Environmental Studies, French, History, Liberal Studies, Literature, Marine Science, Music, Physics, Political Science, Psychology, or Spanish. We also proudly integrate our Education program as a “concentration” within all of those majors so that future teachers earn a Liberal Arts degree **and** teaching certification, all at the same time.

If you are not sure **How the Program Works**, please read the “requirements” and the “certification sequence of courses” links on this web page:

**== New Jersey Council for Exceptional Children: FREE General Membership ==**

Are you interested in joining the largest professional organization dedicated to improving the success of children and youth with disabilities and/or gifts and talents? Be sure to select NJ as your local division to earn FREE membership: <https://exceptionalchildren.org/membership/student-membership/pre-service-student-membership/student-teacher-success-network-membership-complimentary-6-month-membership>

**== Praxis Help ==**

The Khan Academy folks have expanded free Praxis Core services to Reading, Writing and Math – all still free – and all online. Visit <https://www.khanacademy.org/prep/praxis-core/overview>

Not sure when you need to pass all three parts of the Core? Visit
