Several Substitute Teacher agencies are still hiring those who have earned 60 credits: [Kelly Educational Staffing](#) has openings all around our region. [ESS](#) also has contracts with many school districts in south Jersey. We strongly recommend substitute certification. It costs a little

more than just a Criminal Background Clearance, but working as a substitute pays back that expense quickly, and you get great experience.

**== Praxis Help ==**

The Khan Academy folks have expanded free Praxis Core services to Reading, Writing and Math – all still free – and all online. Visit <https://www.khanacademy.org/prep/praxis-core/overview>

If you're thinking about hiring an online tutor or joining an online fee-based prep course, please visit [www.passpraxis.com](http://www.passpraxis.com) to learn more about this Pennsylvania college that offers both services for Core, Praxis 2 Elementary, Middle School, and Secondary Chemistry, English, Math, and Social Studies.
