Teachers are responsible for creating engaging, developmentally appropriate lesson plans to meet the needs of the students in the classroom, organizing a dynamic classroom, and maintaining partnerships with parents.

Responsibilities include...

- Create a nurturing, respectful, and safe classroom environment that responds to the needs of each student.

- Implement curriculum in accordance with the state and national standards for preschool and our philosophy on learning.

Implement developmentally appropriate classroom activities and lesson plans, based on the needs of the children.

- Works with co-workers to effectively develop, share, and participate in classroom activities to meet developmental and academic objectives.

- Improve curriculum, classroom environment, and to meet individual student needs

- Keeps accurate records as required by the Director

- Helps to prepares all necessary materials to carry out lesson plans

- Keeps classroom tidy and clean throughout the day and after each shift

- Tracks progress of students. Holds parent/teacher conferences and shares student progress with parents.

- Communicates daily with parents.

Experience and some education in the field are a must. Background checks will be conducted. Must provide a minimum of 3 references.
