

FRATERNITY & SORORITY LIFE AWARDS 2014-2015

The Fraternity and Sorority Awards are designed to provide an objective assessment of a chapter's performance. The evaluation process for these awards is completed through active reporting and nominations that are submitted online. This process is implemented not as a competition, but as a way for every chapter to measure their growth as an organization on an annual basis. The opportunity for recognition is provided to chapters that excel in the areas of academics, service, and Greek unity.
