

Degree Map: Nursing Accelerated Program (BSN)
Bachelor of Science in Nursing
Fall Entry

School of Health Sciences | Stockton University
HSC 215 | 609-652-4501

The following is a **suggested** plan of study for completion of this degree program.

The **goal of a Degree Map** is to ensure that students graduate with no more than 128 credits and in four years.

- All students should speak with their preceptor about their academic programs.
- Students are encouraged to take overload and Summer courses to facilitate their progress towards graduation as necessary.
- Transfer students may not need to take all courses in the plan; they should consult with an academic advisor.
