

Lee Ann Guenther, PT, DPT, MS, is the founder and president of Milestone Physical Therapy Services LLC. She has been a NJ licensed physical therapist since earning her entry-level degree from the University of Pennsylvania in 1980. Dr. Guenther has practiced in a variety of NJ clinical settings including acute rehab, homeware, outpatient, long term care, schools and Early Intervention.

Dr. Guenther has also taught entry level, post-professional, and inter professional ethics classes at Stockton University; she has also taught the NJSBPTE approved ethics continuing education courses since the requirement was first initiated in the 2008-2010 license cycle. Dr. Guenther's research has involved inter professional education, core values and ethics. She has presented her work at national and international conferences; and, she has also published in the Journal of Allied Health Professions, the PT Journal, and the Journal of the HPA Section of the APTA.

She has served as a member of the NJSBPTE and past Chair of the aptaNJ Ethics Committee on which she continues to serve. Recently Dr. Guenther served as a content expert in "professional practice" for the APTA's Academy of Leadership & Innovation (ALI) that is part of Ali's new Management Certification process. Dr. Guenther continued her commitment and study of ethics by completing a graduate certificate in Bioethics and Health Policy at Loyola University in Dec. 2022.
