

Lee Ann Guenther, PT, DPT, MS has been a NJ licensed physical therapist since graduating from the University of Pennsylvania in 1980. She has practiced in a variety of clinical settings including acute rehabilitation, acute care, home care, skilled nursing facilities, and outpatient clinics. For the past nine years, she has been providing services in school-based pediatric practice.

Since, 1989, Dr. Guenther has been on the faculty of the Physical Therapy Program at Stockton University where she serves as the Director of Clinical Education.

In her role as an educator, Dr. Guenther has taught entry level, as well as post-professional, classes on ethics. Her research interests involve the role of the APTA professional core values and ethics in the clinical decision-making of physical therapists. Work in this area has been presented at both WCPT and the APTA's Combined Sections meetings; it has also been published recently in the PT Journal and the journal of the HPA Section. She is a former member of the New Jersey State Board of Physical Therapy Examiners, and she continues to serve as the Chair of the aptaNJ Ethics Committee. Dr. Guenther has been teaching New Jersey State Board of Physical Therapy Examiners approved classes in "Ethics and Jurisprudence" or more recently "Ethics" since the 2008-2010 license cycle.
