Stockton offers forum on political campaigning

GALLOWAY TOWNSHIP
— The William J. Hughes Center for Public Policy at the Richard Stockton College of New Jersey is scheduled to present "The Inner Workings of Political Campaigns: Brilliance or Sleaze?" 2:15 p.m. Thursday, March 27 in the Upper G-Wing Lounge.

The political consulting organization Message and Media will make a presentation on looking beneath the surface of political campaigns and explain how they work. The company has been involved in running the campaigns of numerous statewide and local elected officials.

"This is a great opportunity to learn about political campaigns from an insider's perspective," said Sharon Schultman, Hughes Center director. "Attendees will learn how campaign messages and tactics are created and managed."
