MISSION STATEMENT

Revised and Adopted by the Board of Trustees in 2017

Prologue

Founded in 1969 as a public, four-year college within the New Jersey system of higher education, Stockton University offers more than 40 undergraduate degree programs as well as 14 advanced degree programs, seven educational endorsement programs, seven certificate and preparation programs, and a vast array of minors.

Stockton's 2,000-acre campus, situated in the Pinelands National Reserve, is New Jersey's largest university campus. The main campus is located in Galloway, and satellite centers are located in Atlantic City, Hammonton, Manahawkin and Woodbine. Approximately 3,165 students reside in University housing, including in the apartment complexes, residence halls, and affiliated properties.

Mission

Stockton University's mission is to develop engaged and effective citizens with a commitment to life-long learning and the capacity to adapt to change in a multi-cultural, interdependent world. As a public university, Stockton provides an environment for excellence to a diverse student body, including those from underrepresented populations, through an interdisciplinary approach to liberal arts, sciences and professional education.

Vision

Stockton University will thrive as a distinctive regional institution, providing a diverse, values-based, student-centered environment of exceptional teaching and learning. As a community builder and partner in public service, Stockton University will remain committed to the positive development of New Jersey through scholarship and creative activity, civic engagement, and active stewardship.

Guiding Principle

Students first; vision and strategy follow.

Values

Stockton University embraces a collection of shared values, the essence of our standards for excellence. These values support our mission and guide our practices and behavioral expectations. We adhere to the values of:

Excellence in teaching and dedication to learning

Stockton University is committed to providing a high quality, innovative education that gives our students, including those underrepresented populations, the breadth and depth they need to succeed in their lives beyond college. Our faculty and staff recognize a responsibility to engage our students in the development of ideas across and within disciplines, both inside and outside the classroom. We strive to enhance the student learning experience, by utilizing proven pedagogical methods, research, creative activity, and advancements in technology, which support the promotion of life-long learning.

Inclusivity and Diversity

Stockton University is committed to building a community that values differences of race, religion, gender, ethnicity, national origin, socio-economic status, affectional or sexual orientation, gender identity or expression, marital status, age, ability or disability. We accept our responsibility to create and preserve an environment that is free from prejudice and discrimination, and to take actions that affirm our commitment to inclusivity and diversity.

Academic Freedom

The University promotes an open exchange of ideas in a setting that embodies the values of academic freedom, responsibility, integrity and cooperation. Recognizing and understanding the significance of our similarities and differences will ultimately foster appreciation and respect for others, and enrich the individual, the campus and the community at large.

Integrity and Respect

Stockton University is committed to integrity, honesty, dignity, civility, openness, respect, and accountability in its actions as well as in the means through which all members of its community communicate among themselves and with the wider world.

Shared Governance

Stockton University is committed to shared governance, defined as an integrated planning process and a collaborative culture in which Stockton’s constituents commit themselves to being partners in accomplishing the University’s mission. It functions through a structure that fosters active collaboration, transparency, accountability, understanding, and acceptance of compromise, mutual respect and trust.

Community Engagement and Civic Responsibility

Stockton University is committed to the positive development of southern New Jersey. Through research, teaching, and community partnerships and service, the University actively seeks to address social and economic issues critical to our state, region, and nation and to contribute to the public good.

Global Perspectives

Recognizing its place in an increasingly global economy and society, Stockton University is committed to providing students, faculty, and staff with exposure to diverse cultural perspectives. Stockton seeks to create and sustain the global awareness and understanding necessary for their meaningful participation in the world as independent critical thinkers and informed and prepared global citizens.

Sustainability and Environmental Stewardship

The University seeks to promote an ethic of resource conservation, sustainability, and social justice on our campuses and throughout the region in its strategic planning and operations as well as its teaching, research, and service. Stockton embraces the obligation of stewardship this environment demands.

A. Accreditation Status

1. Institutional Accreditation

In June 2012, the Commission on Higher Education Middle States Association of Colleges and Schools (CHE/MSA) reaffirmed full accreditation for Stockton. In addition, Stockton received two commendations for its progress to date and the excellent quality of its self-study process. Stockton received exceptionally high marks in all categories, including quality of teaching and learning outcomes, faculty accomplishment and student services. The University is not required to send any progress or monitoring report during its reaccreditation term. In recent years, Stockton is one of the few NJ institutions in their self-study processes that resulted in such distinctive designation. The evaluation team's report confirms the University's superior performance and acknowledges the fulfillment of its mission to maintain an environment for excellence for New Jersey students.

The University submitted its Periodic Review Report (PRR) to MSCHE in May 2017, and MSCHE accepted Stockton's PRR and reaffirmed its reaccreditation in November 2017. The PRR received four commendations for the quality of the report and process. The next evaluation visit is scheduled for 2021-22.

2. Professional Accreditation & Certification

C. Characteristics of Undergraduate Students

1. Mean Math, Verbal and Writing SAT Scores, Fall 2018

The guidelines of accountability reporting require that institutions report SAT data in two ways; by admit status and for all three admit types combined. In this regard, for full-time students, the mean SAT score (Math and Verbal) for regular admits was 1,133, for special admits 912, and for EOF admits 1,003. Total SAT scores for all admit types combined were 1,089.

Community Engagement

Below are representative examples of community engagement at Stockton.

Community Engagement - Activity Report

- The Stockton Center for Community Engagement (SCCE) distributed two online newsletters providing an update of activities and drafted a substantial annual report. SCCE continued to draw on community and institutional knowledge to facilitate connections between students, faculty, and community needs in mutually beneficial ways. SCCE continued numerous projects including Stockton's Food Drive, the Homework Completion Program at Stanley S. Holmes Village and Buzby Homes Village in Atlantic City, and at the Pleasantville City Meeting room in the Atlantic County Library/Pleasantville Branch, Naturalization Classes, an English Learner's Program, and Afternoon Tea and Game Day programs with older adults in Atlantic City and Pleasantville. SCCE also launched a new homework completion program in the Marina District in Atlantic City. Furthermore, SCCE continued successfully to maintain the Campus Kitchen at Atlantic City.
- The SCCE worked with 250 student volunteers this year, cooked and delivered 1,465 Campus Kitchen meals, tutored 158 students in Atlantic City and Pleasantville, helped five individuals become naturalized American citizens, and collected 885 pounds of food for the New Day Family Success Center in Galloway and the Office of the Dean of Students' new pantry.
- The SCCE Faculty Fellows and Student Fellows programs continued to bolster the Center's community-outreach initiatives this year. Dr. Christina Jackson from the Sociology Program engaged in many activities as the Faculty Fellow during AY 2018-2019. Dr. Jackson facilitated her first Justice and the Environment symposium with over 70 students in attendance. Several community partners presented including CATA farmworkers support committee, The Nanticoke Lenni Lenape tribal nation, Food and Water Watch and the New Jersey Organizing Project. Dr. Jackson and her students also completed service-learning projects at the New York Avenue Apartments in Atlantic City.

- SCCE expanded external and internal requests for assistance in community engagement. SCCE Student Fellows contributed to the success of a community baby shower held by the Southern New Jersey Medical Center on November 9, 2018 at the All Wars Memorial Building. The event provided families living in and near Atlantic City with an opportunity to learn about maternal and health care for infants, as well as educational workshops. Families also received supplies for newborns.
- SCCE Student Fellows play an essential role in the Center's initiatives and projects, as they lend continuity to the projects and lead general Stockton student volunteers and meet the growing needs of the community. During AY 2018-2019, SCCE employed 26 Student Fellows, and one Alumni Fellow. The Fellows contributed to project coordination in Atlantic County including tutoring at the Homework Completion Programs at Stanley S. Holmes Village, Buzby Homes Village, and the Pleasantville City Meeting room in the Atlantic County Library/Pleasantville Branch; facilitating an English Learner's program at two locations in Pleasantville; teaching Naturalization Classes in Atlantic City and managing meal preparation and delivery to families in need in the region. Service Learning

- The Office of Service-Learning continued to create sustainable and reciprocal relationships with students, faculty and community partners in an effort to work more efficiently and collectively for the greater good in AY 18-19. During the academic year, the Office of Service-Learning worked collaboratively with over 135 community partners, 82 faculty and 95 academic courses. The representation of courses and faculty members offering service-learning includes all schools at Stockton and the largest student involvement can be found in the Social and Behavioral Studies, Health Sciences and General Studies.
- During the fall and spring semesters, 1,658 students engaged in receiving service-learning credit on their academic transcripts. The number of hours students spent (25,124 hours) involved in service-learning work last year is equivalent \$896,038 dollars of employment to community agencies in our area (based on New Jersey's equivalent rate for volunteerism).
- In our continued relationship with the Bonner Foundation, the Office of Service Learning has three cohorts of up to 36 Bonner Leaders – two-thirds of these students qualified for Federal Work-Study Awards. Many of our Bonner Leaders are first generation college students. We also developed a relationship with New Jersey Campus Compact and started our ChangeBuilders program in collaboration with the AC-EOF program. Fifteen students started in our first cohort and served 452 hours of service.

I. Major Capital Projects

June 2018 – July 2019

Atlantic City Academic Center

The Academic Center in Atlantic City is a three-story 56,400 square foot structure that includes an event center, a full service kitchen and dining area, an outdoor patio, classrooms, conference rooms, faculty and executive offices. The project was completed in August 2018.

Atlantic City Residential Complex

The Residential Complex in Atlantic City is a five-story structure totaling 217,000 square feet. The building's ground floor includes an event room that can be converted to two general classrooms, a computer lab, professional staff apartments, common areas, a fitness room, two exterior courtyards, administrative offices, and three storefront tenant spaces. The upper floors have 145 suites with kitchens, which contain 534 beds. The project was completed in August 2018.

Atlantic City Parking Garage

The Parking Garage in Atlantic City is a seven-story structure totaling 335,700 square feet housing 876 cars. The building's ground floor program includes a main entrance and elevator lobbies, garage support spaces, a 5,000 square foot storefront tenant space and public parking. The project was completed in August 2018.

Parking Lot 8 Expansion

The university added 350 parking spaces to the main Galloway campus in the Barlow Field area off Pomona Road. The project includes an expansion of the detention basin, blue lights, site lighting, security cameras and landscaping. This project was completed in August 2018.

Health Sciences Center Third Floor Fit-out

Construction to fit-out the third floor of the Health Sciences Center began in May 2018. The project includes 2 classrooms, lecture space, storage and support spaces. The project received a certificate of occupancy in July of 2018.

C&D Wing Roof Replacement

Construction to replace the 30-year old roofing material over the C and D Wings of the main academic spine began in May 2019 and was completed in July 2019. This project included repairs to the existing deck, new insulation and a reflective coating to reduce heat buildup in the occupied spaces.

Replace Lift Station #1

Construction to replace a 40-year-old sanitary sewer lift station on the main campus began in May 2019 and will be complete in September 2019. This project includes repairs to the existing sewer piping and the installation of a new lift station.

F-Wing 100 Level Renovations

Construction on a new Veterans Lounge as well as a new Women's Gender and Sexuality Center began in May 2019 and will be complete in September 2019. Both spaces will provide staff offices, meeting rooms, computer stations, support spaces and lounge areas.

Substation Renovations

Design has begun to upgrade 7 electrical substations on the main campus. Construction is expected to commence in April 2019 and be complete in September 2019. The project will include testing at each substation transformer as well as all associated circuit breakers to determine if repair or complete rebuilding of the equipment is necessary.
