**Galloway, NJ** - The Stockton Center on Successful Aging is sponsoring a series of drawing and painting workshops for older adults.

Tom Sandor, a local artist and SCOSA volunteer, is the instructor for the classes held in the Community Meeting Room at the Atlantic County Library System's Egg Harbor Township branch at 1 Swift Ave.

Guided by Sandor's experience and expertise, participants will learn to draw what they see, at their own pace, developing powers of observation and defining individual style. With emphasis on self-discovery and skill development, the class will focus on building and refining basic skills, exploring a broad range of drawing materials and sharing ideas and techniques. Participants must purchase and bring their own materials. No experience is necessary, but those who have work samples are encouraged to bring them to the class.

The class will meet on **Wednesdays** from 10 a.m. to noon on **March 2, 9, 16, 23, 30** and **April 6, 13, 20, 27, 2016**. A fee of \$5 per person per session will be charged and collected by the presenter.

Advance registration is required through [online registration](#) or by calling 609-626-3591. (Please leave your contact information.) Visit the SCOSA website at [Stockton.edu/scosa](http://Stockton.edu/scosa) for more information, updates and cancellation procedures.
