*Director of Campus Public Safety*

On behalf of the Stockton University Campus Public Safety, I would like to welcome you to our diverse and distinctive community. Thank you for taking the time to read Stockton University's Annual Security and Fire Safety Report (ASF SR), provided in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). This document contains three years of crime statistics, information on available safety resources and programming, and the annual fire safety report. Crime statistics include crimes reported directly to the Stockton University Police Department as well as those reported by local, county and state police departments and designated campus officials.

Stockton University is committed to providing a safe and secure living, learning, and instructional environment for our students, faculty, and staff. Within these pages is a wealth of information regarding safety and security at Stockton University. The ASF SR also contains descriptions of prevention and education programs, and policies addressing drug and alcohol use, campus public safety, sexual misconduct, relationship violence, and stalking, among others. Stockton University has a police department that maintains a professional reputation throughout the law enforcement and collegiate communities.

Campus Public Safety encompasses security, emergency management, and law enforcement services and we have collaborated with the University community, enabling the pursuit of academic and professional goals. We work closely with University allies in academic and administrative units, student life, as well as with local, state, and federal law enforcement agencies. These relationships are paramount to protecting Stockton University's community. I thank you for partnering with us to make Stockton University a safe campus.

## A MESSAGE FROM THE VICE PRESIDENT FOR STUDENT AFFAIRS

**Dr. Christopher Catching**  
*Vice President for Student Affairs*

Stockton University has long been committed to providing a campus environment that is civil, safe, community oriented and respectful to everyone. Stockton adheres to principles supporting the human right to be treated with respect, dignity, and care. The institution participates in a campaign that shines light on our past, present and future endeavors that support a culture of respect at Stockton.

Stockton University has, for many years, addressed campus safety and civility issues in three ways: prevention, intervention and due process. Stockton University's sexual misconduct policy, for example, which is based on federal and New Jersey law, explains what to do in response to a sexual assault by providing information on how to report an assault, safe places to go for assistance and off-campus support, as well as defining and explaining confidentiality and the types of infractions covered by the policy. Various rights under New Jersey law and institutional protocols are also explained.

We encourage all students to be well-informed, active, and supportive community members. Toward that, we have a team of professionals in a variety of offices, including the Office of Equal Opportunity and Institutional Compliance, Office of Student Conduct, and the Women's, Gender & Sexuality Center (WGSC), who educate students. Using the same example of sexual misconduct, students are educated about their rights under New Jersey and federal law (Title IX). These rights include confidentiality definitions, reporting options, support options, resolution options, institutional responses, and protection from retaliation if they choose to report. In 2019, we added a 24/7 sexual assault hotline and joined a national consortium of colleges and university to develop strategies to support sexual violence education, policies, and programming.

Stockton University uses a robust prevention effort to supplement policy. Three such efforts are highlighted here, and others are noted in this publication and on our website:

- Our **Green Dot Bystander Strategy** attempts to reduce and prevent power-based personal violence on campus through sustained behavioral change. Students, faculty and staff engage in quality programming throughout the year that focuses on bystander intervention strategies to combat sexual violence, domestic and dating violence, and stalking.
- Stockton's **Osprey Advocacy Program** is a 40-hour certification training offered annually in conjunction with Avanzar (formerly Atlantic County Women's Center). Students, faculty and staff are educated and trained to become victim advocates in sexual assault, domestic violence, dating violence and stalking cases. Some have moved on to become advocates at Stockton and/or in their home communities.

- **Step UP! Stockton** is a pro-social behavior and bystander intervention program that educates students to be proactive in helping others. Participants learn the determinants of pro-social behavior and why other people don't always help.

Policy and prevention programs are vitally important for educating Stockton University community members about prevention strategies, reporting, seeking assistance, bystander intervention, etc.

Stockton's response protocol to a variety of infractions is outlined in our policies and procedures and grounded in human dignity and support for all involved. The University strives to ensure that all parties' rights are being respected and that all parties are treated fairly.

Stockton University is fortunate to have a competent and skilled police department, which has trained specialists to help the University shape its policies and response protocols. Members of the police department teach in University prevention programs and have been active participants in discussions with other police agencies and the Atlantic County Prosecutor's Office.

Stockton University encourages a campus culture that values and understands respectful interaction, and supports that through numerous programs, activities, offices and other resources. Stockton continually strives to reinforce the values of a decent and honorable community by elevating the civil, respectful behavior and personal responsibility of every Stockton community member.

Christopher C. Catching, EdD  
*Vice President for Student Affairs*

## A CULTURE OF RESPECT

The Stockton Culture of Respect represents our ongoing commitment to civility, community and safety.

We value each and every person, including, students, faculty, staff, visitors and neighbors, as members of our Stockton family.

Our Mission Statement identifies **Integrity and Respect** as core values: “Stockton University is committed to integrity, honesty, dignity, civility, openness, respect, and accountability in its actions as well as in the means through which all members of its community communicate among themselves and with the wider world.” Read all of Stockton’s Mission Statement and visit [stockton.edu/respect](http://stockton.edu/respect).

Stockton continually strives to reinforce the values of a decent and honorable community by elevating the civil, respectful behavior and personal responsibility of every Stockton community member.

## CRIME PREVENTION TIPS

**Prevention is the most effective means of dealing with crime. You can help to diminish crime on campus by not tolerating it. When you see a crime, report it to the Stockton Police Department. In addition, we offer you the following helpful hints:**

- Keep windows and doors locked and secure your valuables;
- Value your safety and the safety of others; if you see something, say something;
- Wearing headphones and/or using a cell phone may distract you from potential safety issues. Always be aware of your surroundings;
- Learn the location of blue light emergency call boxes on campus;
- Plan your route. Take well-lit, busy walkways whenever possible. Avoid shortcuts through poorly lit areas;
- Do not walk alone. Walk with a friend, especially at night, or use Stockton’s free escort program by calling Stockton Police at ext.4390 or 609-652-4390;
- If you must walk alone, avoid entryways and shrubs where someone could be hiding;
- Trust your instincts. If something does not seem right or you believe someone is following you, leave the area immediately, call 9-1-1 for help and get to a well-lit, populated area;
- Have your keys ready before you get to your residence or vehicle;
- Let a friend or roommate know where and with whom you will be and when you plan on returning;
- If you choose to drink, drink legally and responsibly. Remember that your ability to respond to situations can be compromised by over-consumption of alcohol;
- Never accept a ride from a stranger or anyone who is under the influence of drugs and/or alcohol;
- On-campus students should never allow anyone into their residence halls, rooms or apartments without first asking for proper identification;
- Be alert for suspicious persons and dangerous situations. Notify the police immediately of all suspicious persons or activity by calling 9-1-1.

**Remember, many victims of crime once said,  
“It can’t happen to me.”**

**We hope that your stay at  
Stockton will be enjoyable and safe!**

## A BRIEF HISTORY OF CAMPUS CRIME REPORTING

In 1990, Congress authorized the Crime Awareness and Campus Security Act, which required all institutions of higher education participating in Title IV student assistance provisions of the act, to disclose certain campus crime statistics and other public safety and security information. In 1998, the act was renamed the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” in memory of Jeanne Clery, a student who was slain in her dorm room at Lehigh University in 1986. In essence, the act requires colleges and universities to collect and report crime statistics, and publish and disseminate an Annual Security & Fire Safety Report to the campus community with the goal of maintaining a safe environment for students to learn; faculty to teach, and staff and administrators to work by increasing the awareness of crimes committed on campus. It is intended to provide students and their families as consumers of higher education with accurate, complete and timely information so that informed decisions can be made. In August 2008, additional revisions and regulations were enacted under the title of the Higher Education Opportunity Act, or HEOA. These include fire safety reporting, missing person procedures, hate crime reporting and emergency response and evacuation procedures. The Clery Act was expanded with the Violence Against Women Reauthorization Act of 2013 (VAWA). The Campus SaVE Act amended the Clery Act, which requires campuses to provide annual statistics on incidents of campus crimes, including sexual assaults occurring on campus and reported to campus authorities or local police. The Act broadened this requirement to mandate fuller reporting of sexual violence to include incidents of domestic violence, dating violence and stalking.

The responsibilities for this Annual Security and Fire Safety Report are shared by; the Stockton University Police Department, in conjunction with the Office of the Vice President for Student Affairs, the Office of the Dean of Students, The Office of Residential Life, the Office of Athletics & Recreation, the Office of Counseling Services, the Women’s, Gender & Sexuality Center, the Office of Student Conduct, the Office of Equal Opportunity & Institutional Compliance, the Office of General Counsel, the Office of the Provost, the Office of Human Resources, the Office of Stockton Auxiliary Services Inc., and the Office of Global Engagement.

## CRIME REPORTING

In order to comply with the reporting of crimes identified by the Clery Act, the Stockton University Police Department relies on several resources. The primary resource is the Uniform Crime Report (UCR). This reporting system is coordinated statewide by the New Jersey State Police. The Stockton University Police Department is a contributing member and submits monthly crime reports to UCR. The Police Department also requests crime statistics from local and state law enforcement agencies, as well as from Campus Security Authorities at the University. The resulting statistical crime information related to the Clery Act can be located beginning on page 66 of this publication.

## OTHER FACILITIES

In addition to the main Galloway campus, the University operates separate campuses as follows:

- Stockton Atlantic City, 3711 Atlantic Ave, Atlantic City, NJ - Open Fall 2018
- Stockton University Kramer Hall, 30 Front St., Hammonton, N.J.
- Stockton University at Manahawkin, 712 E. Bay Avenue, Manahawkin, N.J.
- Nacote Creek Marine Studies Field Station, 30 Wilson Avenue, Port Republic, N.J.
- Sam Azeez Museum of Woodbine Heritage, 610 Washington Avenue, Woodbine, N.J.

The University maintains a uniformed security presence at these locations, with the exception of the Marine Field Station, when class is in session and during additional designated hours as necessary. This is facilitated by trained security personnel under the direction of the Stockton University Police Department.

The University also operates additional facilities as follows:

- Rothenberg Building, 3430 Atlantic Avenue, Atlantic City, N.J.

The primary law enforcement agency for this facility is the Atlantic City Police Department with assistance from the Stockton Police Department.

- SRI & ETTC, 10 W. Jimmie Leeds Road, Galloway, N.J.
- Chris Gaupp Housing, 421 Chris Gaupp Drive, Galloway, N.J.

Stockton University Police patrol the SRI & ETTC and Chris Gaupp Housing in conjunction with the Galloway Township Police Department.

Within the Galloway campus are the AtlantiCare Regional Medical Center, Galloway Campus and Bacharach Institute for Rehabilitation. The University does not maintain a security presence in these private facilities. The property where these facilities are located is leased to each by the University. The primary law enforcement agency for these facilities is the Galloway Township Police Department with assistance from the Stockton Police Department.

The University has commercial interests in the following facility:

- The Noyes Arts Garage of Stockton University, Atlantic City, N.J.

The University does not provide security at the Noyes Arts Garage.

## THE STOCKTON POLICE DEPARTMENT

*“PROTECTING, SERVING AND EDUCATING AMERICA’S FUTURE”*

The Stockton University Police Department is a fully sworn and commissioned law enforcement agency which, on the Galloway and Atlantic City campuses, is the primary police authority responsible for: maintaining law, order and safety; responding to all reported crimes, offenses and incidents; and conducting investigations. Police officers are approved, certified and trained through the New Jersey Police Training Commission and have full police and arrest powers anywhere in the State of New Jersey. Following successful completion of the Basic Police Academy and required field training, officers attend annual in-service training and participate in other training courses, conferences and seminars, which provides for the professional delivery of police services. Uniformed police officers patrol the campus community in marked police vehicles, on bicycles and on foot, ready to respond to any emergency or call for service. In addition to sworn police officers, the University utilizes uniformed security officers, who are responsible for providing security at all campuses, except for the Marine Field Station. Security officers do not have arrest powers. All police officers are CPR certified and are trained in the use of Automated External Defibrillators (AEDs), as well as Narcan. On the Galloway campus, the primary police jurisdiction is the approximately 1,600 acres that comprise the campus, as well as the roadways immediately adjacent to the campus. In Atlantic City, the primary police jurisdiction is the University’s academic and residential buildings and accompanying surface lots, as well as the University-controlled portion of the parking garage. A security camera system is in place on all campuses for the safety of the community.

The University police department is committed to community policing and works closely with the University community, as well as the neighboring communities, in all public safety efforts. K-9 Lt. Tracy Stuart and her partner, K-9 Hemi, were an integral part of the police department’s commitment to community policing and homeland security for over 9 years. In 2020, Lt. Stuart trained and continued K-9 work with her new partner, K-9 Freya, who will carry on Hemi’s legacy of protecting and serving Stockton University and the surrounding communities.

## COOPERATION

The main campus of Stockton University is located within the borders of Galloway Township. Over the years, this has led to a very close working relationship between the Stockton Police Department and the Galloway Township Police Department, as well as the Atlantic County Prosecutor's Office and other local, state and federal law enforcement agencies both in and out of the county and state. The Stockton Police Department has a Memorandum of Agreement with the Galloway Township Police Department which establishes a protocol for the reporting of and coordinated response to, crime and other activity occurring at Stockton's Galloway Campus; provides for mutual assistance and information sharing; and allows Stockton police officers to enforce traffic laws on Galloway Township roadways. In Atlantic City, a Memorandum of Agreement with the Atlantic City Police Department allows University Police to enforce certain laws, both on campus and in the surrounding University district. University police also partner with Atlantic City police in community policing and crime prevention efforts. On Stockton's other campuses in Hammonton, Manahawkin, Woodbine and Port Republic, the police agency with jurisdiction for the location would respond to crime reports and may be assisted by University Police upon request.

These relationships are essential for support on many levels, including joint investigations of crimes that impact the campus community. These cooperative efforts allow for sharing and dissemination of critical information among agencies in order to maintain an informed and safe community. The Stockton Police Department is also a partner in the county-wide law enforcement mutual aid assistance program. The Stockton University Police Department is a participating member in the Atlantic County SWAT team, which is comprised of highly trained officers from 18 law enforcement agencies who respond to critical incidents within the county.

Although there are no off-campus buildings or properties owned or controlled by officially recognized student organizations, including sororities and fraternities, Stockton Police will assist Galloway Township Police, Atlantic City Police and other local police agencies with incidents involving students living off campus and coordinate with the University if requested. These police agencies may also provide Stockton Police with reports of criminal activity committed by students.

## REPORTING EMERGENCIES, CRIMES AND OTHER INCIDENTS

Stockton University encourages all members of the campus community, including students, faculty, staff and guests, to promptly and accurately report any crimes, accidents, or other incidents which occur on any Stockton University campuses or properties. This includes reporting when the victim of a crime elects to, or is unable to, make such a report.

All emergencies, crimes in progress or accidents on any Stockton campus, other University properties, or public property immediately adjacent to or within a campus, should be reported immediately by dialing 9-1-1. The 9-1-1 call will be routed to the proper police-fire-medical emergency communications center. Callers should provide the exact location and specific nature of the emergency and stay on the line until the communications operator advises to disconnect from the call. The University also has a number of yellow-colored emergency blue light call boxes throughout the Galloway and Atlantic City campuses, which when activated by pressing the red emergency button automatically results in a police response.

For non-emergency incidents, crimes not in progress, to obtain a police escort, or for any other police related issues, individuals should call the Stockton University Police Department by dialing 609-652-4390 or extension 4390 from a campus phone. Individuals may also report any incident in person at the University Police Department, located on Vera King Farris Drive across from the Housing IV complex on the Galloway campus or at the Atlantic City police substation, which is located on the first floor of the residential building near the security desk.

Individuals attending classes or events at any other University properties can report crimes and/or incidents to any security personnel assigned to these facilities, or to the law enforcement agency responsible for the respective jurisdiction.

#### CONFIDENTIAL REPORTING

Pastoral counselors and professional counselors in Counseling Services or in the Women's, Gender & Sexuality Center are confidential resources and discussing crimes with them will allow a victim/complainant to explore additional reporting options. These confidential resources do not make reports to law enforcement or other on-campus offices, unless specifically requested to do so by the reporting party. However, the University encourages counselors, if and when they deem it appropriate, to inform victims/complainants of the ability to report a crime on a voluntary, confidential basis for inclusion in Clery statistics.

#### ANONYMOUS REPORTING

Anonymous crime reports may be made by calling the University Police Department and not providing your name when you report, by clicking on "Crime Tip Line" on the University Police website [Stockton.edu/police](http://Stockton.edu/police), or by contacting Crime Stoppers of Atlantic County at 1-800-658-TIPS (8477) or on the Crime Stoppers website at [crimestoppersatlantic.com](http://crimestoppersatlantic.com).

## SAFETY INFORMATION

Awareness, prevention and involvement are the most effective means of dealing with community problems, safety concerns and crime. An involved and aware community, in cooperation with Campus Public Safety and other campus divisions and offices can do much to assist in these efforts and help ensure as safe and secure a campus community as possible. The University maintains a strong commitment to the safety of the entire community. In addition to crime prevention efforts, exterior lighting, landscape control and other general safety measures are critical parts of that commitment. Police officers, security guards and University maintenance personnel conduct routine checks of lighting, walkways, roadways, emergency phones, buildings and grounds and any deficiencies are reported immediately to the Division of Facilities and Operations. Maintenance personnel are either on duty or available by recall procedures to respond to any unsafe condition. Members of the campus community are encouraged to assist in these efforts by reporting any such deficiency or faulty condition they observe to the Division of Facilities and Operations during normal business hours. After hours, individuals should contact the police department for assistance. In non-emergent situations, members of the campus community may submit a work order utilizing the School Dude system. The University campuses are open environments and access to buildings and grounds is extended to all persons, with limited constraints. These constraints consist of various security locking systems, which utilize special keys, on-line card access and off-line card access. Residential buildings are only accessible by hard keys or key cards. Given the open environment, the campuses cannot be patrolled in all places at all times and the University does not guarantee absolute safety to all persons at all locations. Community members and guests should always exercise prudent personal preventive safety measures, not just on University properties, but everywhere. Personal safety tips can be found on the police department's website at [stockton.edu/police](http://stockton.edu/police).

### EMERGENCY OPERATIONS PLANNING

The University has an extensive emergency operations plan in place using an "all hazards" approach to planning. The University works closely with the Galloway Township Office of Emergency Management (OEM), the Atlantic County OEM, and the New Jersey State Police OEM in developing and testing these plans. The Incident Command System (ICS) is used in the management of the emergency operations plan and allows for a cooperative response by multiple agencies. The emergency response and evacuation plans are tested annually, using both announced and unannounced exercises, and are revised as needed. University-wide notifications regarding emergencies and evacuations are issued via various means, including, but not limited to, text messaging, campus PBX voice messaging, University webpages, University-wide email, University television and electronic message signs, as well as other means as needed or required. Stockton Emergency Management has created a convenient one-page resource guide, which has been placed in all classrooms and office areas at all campuses. Additionally, the Emergency Resource Guide can be located on pages 96-97 of this report and a printer friendly version may be accessed at [stockton.edu/be-prepared](http://stockton.edu/be-prepared).

The University's Emergency Text Message System is an "opt in" system available to students, faculty, staff and parents. This system enables a specific number of University officials to send urgent text messages to subscribers' cell phones in the event of an emergency.

To "opt in," go to the University's website and log onto the *goStockton* portal, then to the STUDENT SERVICES or EMPLOYEE TAB as appropriate. Click on UPDATE EMERGENCY TEXT MESSAGING CONTACTS, and provide contact information. For more information on this subject go to [stockton.edu/dean-of-students/emergency-text-system.html](http://stockton.edu/dean-of-students/emergency-text-system.html).

## EMERGENCY NOTIFICATIONS

Emergency notifications will be issued in the event that a significant emergency or dangerous situation occurs on campus that involves an immediate threat to the health or safety of students or employees. The Director of Campus Public Safety, in conjunction with the Vice President for Facilities and Operations, will make a determination if a significant emergency or dangerous situation exists by taking into consideration many factors, which include, but are not limited to: the nature of the emergency, location, and whether there is an immediate threat to the health and safety of the community. The Director of Campus Public Safety will determine the content of the notification, which may include: the type of event, general location, and what actions should be taken by community members. The emergency notification will generally be disseminated by the Office of University Relations and Marketing via email, text message, and/or be posted on the University website, with the approval of the Vice President for Facilities and Operations, but may also be disseminated in other ways, such as sign boards. Emergency notifications may be issued to a segment of the community affected by the incident or the entire campus community if there is at least potential that a very large segment of the community will be affected by a situation. An emergency notification may be issued directly by University Police, independently and/or with the approval of the Director of Campus Public Safety. The situation will be reassessed as necessary and status updates will be issued via select emergency communications systems/methods as appropriate and if warranted. The emergency notification will be issued immediately upon confirmation of a significant emergency or dangerous situation, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. In the event of a failure in technology, the University may communicate using face-to-face communication. Members of the larger community, such as parents or campus neighbors, may receive information about emergencies on campus from local/national media and/or the University website.

## TIMELY WARNINGS

A timely warning will be issued if a Clery Act Crime, which was reported to a CSA or to local police, and which occurred on University Clery Geography, is determined to pose a serious or continuing threat to the campus community. The Director of Campus Public Safety, in conjunction with the Vice President for Student Affairs and/or the Vice President for Facilities and Operations, will make the determination, on a case-by-case basis, if such a threat exists and whether to issue a timely warning. The decision to issue a timely warning is based on many factors, which include, but are not limited to, the seriousness of the crime, the timeliness of the report, whether a suspect has been apprehended or arrested, continuing threat to the community, whether or not there is pertinent information to provide a timely warning, and any possible risk to law enforcement efforts. Information may be garnered from various sources and/or agencies, both on and off campus. Timely warnings may not be issued if the threat of continuing danger has been mitigated by an arrest, if issuing such a warning would compromise law enforcement efforts, if the timing of a crime report would not allow a notification to be issued in a timely manner, or if a CSA or the police department was not made aware a Clery Act Crime had occurred on University Clery Geography. The Director of Campus Public Safety will determine the content of the warning, which may include: the type of crime, date and location of the incident, suspect information (if appropriate), any weapons used or injuries to the victim, whether an arrest was made, whether the victim is a member of the Stockton community, crime prevention tips relevant to the type of crime, and any other pertinent information which would promote safety and aid in the prevention of similar crimes. Certain information may not be released if doing so could potentially interfere with a law enforcement investigation or compromise the safety of the victim.

The timely warning will be issued as soon as reasonably practical and when pertinent information is available, in order to aid in the prevention of similar crimes and to enable community members to take appropriate action to protect themselves. The timely warning will be disseminated by the Office of University Relations and Marketing via email and/or be posted on the University website, with the approval of the Vice President for Facilities and Operations and/or the Vice President for Student Affairs. Warnings may also be disseminated in other ways, such as text messaging, sign boards, etc. A timely warning may be issued directly by University Police with the approval of the Director of Campus Public Safety. If the officer in charge (OIC) of the police department believes a timely warning should be issued immediately for the safety of the community, they may proceed after approval from the Director of Campus Public Safety or designee. Status updates may be sent as necessary via email, text message, or posted on the University website. The University is not required to issue a timely warning with respect to crimes reported to professional counselors at the Wellness Center and Women's, Gender and Sexuality Center, advocates at the Women's, Gender and Sexuality Center when acting in the sole capacity of a counselor, and other confidential persons such as a pastoral counselor. Although the Clery Act requires a timely warning for Clery Act Crimes that represent a serious or continuing threat to the community, non-Clery Act Crimes will be evaluated on a case-by-case basis for the issuance of a timely warning.

## CRIME PREVENTION EDUCATION

Police officers are available to assist members of the campus community in a number of crime prevention and public safety programs. At the start of each term, incoming students are afforded the opportunity to attend informational meetings with various institutional departments. For first year students, these meetings are mandatory and are facilitated through several offices on campus.

**PROGRAMS FOR 2020:** Active Shooter presentations, Behind Closed Doors, Alcohol Awareness education, Marijuana education presentation, Q & A with the Police, K-9 demonstrations, Clery Act tabling, Women's Safety and Self Defense, Campus Safety presentations.

These programs address crime and safety issues, including but not limited to crime prevention, preparedness, sexual assault, domestic violence, personal safety, preventing property crimes, K-9 use in law enforcement, driving while intoxicated and other law enforcement safety efforts.

## BYSTANDER INTERVENTION

Safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. This includes recognizing situations of potential harm and understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking actions to intervene.

### **Active Bystander**

Bystanders can play an important role in the prevention of unwanted behavior or criminal activity such as, but not limited to, sexual assault or domestic violence. Intervention is encouraged, but the safety of the bystander is paramount. Some individuals want to help in certain situations but are unsure how. Below are some ways to be an active bystander.

1. If you see someone who looks like they could be in need of help, ask if they are ok and offer options.
2. Point out disrespectful behavior in a non-threatening manner to draw attention in an attempt to de-escalate or interrupt the behavior.
3. Remove a friend from a dangerous or risky situation.
4. Call the bouncer, security or police to the area in case further assistance is necessary.
5. Educate yourself about interpersonal violence and share the information with friends.

## RISK REDUCTION

Risk reduction strategies are options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

### Risk Reduction Tips

1. Go with friends to social gatherings. Check in with each other periodically and be sure to leave together at the end of the event.
2. Do not allow yourself to be isolated with someone you do not know or someone you do not trust.
3. Do not leave a drink unattended while talking, using the restroom or dancing. If you realize your drink was left unattended, throw it away.
4. Watch out for your friends. If a friend seems “out of it,” or is acting out of character, bring them to a safe place and summon assistance.

### Green Dot - Bystander Intervention Strategy

**A Green Dot** is any behavior, choice, word, or attitude that promotes safety for all of us and communicates zero tolerance for violence. Stockton University has several training courses throughout the semester which teach students and employees how to intervene safely to reduce violence and sexual assaults on our campus. ### Safe Zone

The **Safe Zone** initiative is geared toward LGBTQIA+ and bullying issues. Located in the Women’s, Gender & Sexuality Center (WGSC), its goal is to create Safe Zones on campus. Safe Zone trainings are opportunities to learn about gender and sexuality issues in a supportive atmosphere, where tough questions are answered in meaningful ways.

A Safe Zone sign on a door or a window means a trained individual works/resides there and is open to talking about and being supportive of LGBTQIA+ and community at Stockton. For more information, email [safezone@stockton.edu](mailto:safezone@stockton.edu)

### Step UP!

## SEX OFFENDER REGISTRATION

The federal Campus Sex Crimes Prevention Act amends the Violent Crime Control and Law Enforcement Act of 1994 to require sex offenders who must register under state law to provide notice of enrollment and/or employment at any institution of higher education in the state where the offender resides and to provide notice of each change of enrollment or employment status at the institution of higher education. New Jersey has a statute requiring sex offender registration. Information concerning registration of sex offenders may be obtained by accessing the New Jersey State Police web site at [njsp.org](http://njsp.org) and using the link to the New Jersey Sex Offender Registry. Additional information regarding sex offenders is also available from the Stockton Police Department, the Galloway Township and Atlantic City Police Departments and the Atlantic County Prosecutor's Office.

## POLICY REVIEW

As an institution of higher education whose primary purpose is the pursuit of academic excellence, Stockton University emphasizes development of the whole student, personally, socially and educationally. To that end, the following is an overview of several major University policies that students and all other community members are expected to be acquainted with and abide by. In addition to criminal penalties, University disciplinary action may be imposed against all violators as warranted or appropriate. University policies are based on the philosophy that community life at Stockton must demonstrate a respect for others as well as uphold the laws of the State of New Jersey. To review these policies, and others in full detail, please refer to the institutional website - *Policies & Procedures*.

## CAMPUS CONDUCT CODE

### ALCOHOL

The university has established a policy that addresses (in part) possession, consumption, sale and/or distribution of alcoholic beverages on University property. It follows that, with the academic mission at the forefront, co-curricular activities must enhance and not detract from academic pursuits of the community. This policy is designed to be consistent with the laws of the State of New Jersey, where the legal drinking age is twenty-one. Violations of this policy include violations of federal, state and local laws and are subject to University disciplinary procedures and prosecution by local, state and federal law enforcement officials. For questions, additional information and/or support, please contact the Wellness Center regarding Alcohol and Drug Education by calling 609-652-4701 or ext. 4701.

### DRUG

All state, federal and local laws and ordinances regarding the possession, use, sale and/or distribution of drugs, both legal and illegal, apply to activities at Stockton University. Stockton has incorporated, by reference, state law prohibiting the use, possession or distribution of narcotics, dangerous drugs or controlled dangerous substances into its Campus Conduct Code. Accordingly, members of the University community, their guests, and visitors who violate the laws are in violation of the Campus Conduct Code. Members of the University community and their guests who are charged with possession, possession with intent to distribute and/or intent to sell drugs will be held accountable through the appropriate administrative offices of the University (e.g., University Police, Office of Student Conduct,) and through the Campus Hearing Board, as appropriate. The University has adopted a zero tolerance policy for offenders

of these laws and violators will be prosecuted to the fullest extent of the law. The University provides alcohol and drug education programs, including individual counseling and referral through the Wellness Center, Alcohol and Drug Education. For questions, additional information and/or support, please contact the Wellness Center, by calling 609-652-4701 or ext. 4701.

#### GOOD SAMARITAN STATUS

In an effort to promote responsible student behavior and respect for the health and welfare of all members of the collegiate community, panel members may take into account when determining the appropriate sanctions whether a respondent student attempted to take remedial action to assist a victim in a life-threatening situation. Providing students with necessary medical assistance due to over-consumption of alcohol and/or other drugs takes priority over judicial or criminal considerations. Students are therefore strongly encouraged to seek immediate assistance for themselves or their friends without regard for possible disciplinary or criminal concerns. Consideration for disciplinary leniency will be given to students who require medical support or who request medical support for others due to dangerous consumption of alcohol or drugs.

#### DRUG AND ALCOHOL PREVENTION PROGRAMS

##### **Alcohol & Drug 101:**

Alcohol & Drug Peer Educators run an Alcohol & Drug 101 class on campus twice each month during the semesters. The purpose of the class is to educate students on the realities of alcohol and drugs in the college environment. The peer educators cover a number of topics in this class including intoxication rate factors, alcohol poisoning, general information on the realities of drug usage, etc. Students participate in this class through interactive activities regarding their own experiences and knowledge on the topic of alcohol and drugs.

##### **Green Dot:**

The Alcohol & Drug Peer Educators promote the Green Dot Bystander Intervention programming on campus. This programming includes training in bystander intervention to assist students in recognizing the signs of violence within their community and how to effectively prevent it. Free trainings are held throughout the school year.

##### **TIPs (Training for Intervention Procedures) Training:**

The Alcohol & Drug Peer Educators, alongside other students on campus, are TIPs trained each year. The training consists of teaching students how to make tough decisions when it comes to alcohol use. The training addresses drinking usage and the risk factors involved. The program is specified for the college community to make it more relatable for students.

##### **Narcan Training:**

The Alcohol & Drug Peer Educators provide students with the opportunity to become trained in Narcan each year. During this training, a speaker will provide information on how to safely use Narcan in the event of an opiate overdose. With the rise in opiate use, this training has become an important aspect of reducing the amount of lives lost. Each

training typically lasts around two hours and discusses the impacts of opiate use, what to expect in case of an emergency opiate overdose and how to intervene effectively.

### **Recovery Housing:**

Since Fall 2017, Stockton University offers students recovery housing. This housing is aimed at assisting students who are currently in recovery by offering them resources and support. The housing gives students the opportunity to make connections in a healthy, sober, social scene with the assistance of peer support and highly trained licensed addiction specialists. Students within recovery housing will have access to a 12-month housing option, addictions counseling, weekly focused group sessions, evening and weekend programs and events to help them achieve success in their academic pursuits.

### **Step UP! Training:**

Throughout the year, students are offered bystander intervention training through the Step UP! programming. This training helps students be proactive in helping others. Step UP!'s focus is to raise awareness of helping behaviors, increase motivation to help, develop skills and confidence when responding to problems or concerns and ensure the safety and wellbeing of oneself and others.

### **Lolla-No-Booza:**

Lolla-No-Booza is programming hosted yearly by the Alcohol & Drug Peer Educators. This event is held on campus the Thursday before Halloween. The purpose of this event is to provide an entertaining and alcohol- and drug-free event for students. This is an alternative option for students on the most popular drinking night of the year in order to prevent binge drinking and DUIs. The event features games, prizes, live entertainment and food, and is fully funded by donations solicited by the peer educators each year.

## Sexual Assault, Domestic Violence, Dating Violence and Stalking Review

Stockton University is an academic community committed to providing a working and learning environment free from sexual misconduct and as such, prohibits the crimes of sexual assault, dating violence, domestic violence and stalking, as defined by the Clery Act and the Violence Against Women Act (VAWA). Sexual misconduct is a violation of Policy I-55 (Campus Conduct Code), and the policies prohibiting discrimination and harassment in the workplace (Policy VI-28) and the academic /education environment (Policy I-120), however, all reported incidents of sexual misconduct will be handled in accordance with the Sexual Misconduct Procedure (6940). The University will not tolerate sexual misconduct and strongly encourages and supports the reporting of sexual misconduct to permit the investigation and resolution of allegations in a timely, discreet, fair, and impartial manner.

The Sexual Misconduct Procedure applies to sexual misconduct that occurs on University owned or controlled property, or at University-sponsored educational program or activities; that adversely affects the University community; or that threatens the health and/or safety of a member of the University community.

Procedures victims should follow in the case of alleged dating violence, domestic violence, sexual assault or stalking

Victims should:

- Get to a safe place. (See the following list of safe places on p. 48.)
- Get immediate medical attention for possible injuries, sexually transmitted diseases and pregnancy.
- Consider undergoing a sexual assault examination which allows potential physical evidence to be collected by a sexual assault nurse examiner.
- Talk to someone trusted for companionship and support.
- Give yourself time to heal.
- Never self-blame for an assault, domestic/dating violence situation or someone stalking them.
- Seek professional help to assist with healing and recovery.
- Attempt to preserve any potential evidence by not bathing, showering, douching, changing clothes, eating, drinking, smoking, or urinating.

## Evidence Preservation

If you are the victim of sexual assault, domestic violence, stalking, or other crime, it is important that any potential evidence is preserved, and a chain of custody established as soon as possible. Preserving evidence may help prove an offense of sexual assault, dating or domestic violence, stalking or other crime occurred, and may also be used to establish the need for a restraining order or no contact order. An exam conducted at a hospital by a specially trained Sexual Assault Nurse Examiner (SANE) can preserve potential physical evidence. Some suggestions:

- Avoid cleaning your body in any way such as taking a shower, bathing, douching, washing your hands, combing your hair or brushing your teeth. This will help maintain any potential evidence that may contain DNA such as semen, blood, hair or other bodily fluids, as well as fibers, particles, etc.
- Do not urinate, especially if you suspect you were given a drug to incapacitate you; if it is urgent that you do, attempt to collect urine in a clean container. Certain drugs leave the body quickly and urine should be collected as evidence as soon as possible. Urine should be refrigerated. Do not use toilet paper to clean yourself afterward.
- Do not change your clothes, but if you must, put all of the clothing you were wearing at the time of the assault or crime in clean paper (no plastic) bags or envelopes, preferably separately, and bring the bag(s) with you to the hospital or police department. Allow clothing to air dry prior to bagging and do not allow anyone else to handle the items. The hospital can provide you with alternative clothing or you can have someone bring you clothing.
- Do not clean or alter the crime scene in any way to preserve any additional evidence such as bedding, used condoms, condom wrappers, cigarette butts, drink containers, receipts, suspect clothing or any other objects/items that may have been used during the crime. Do not touch anything at the scene!
- Preserve any photographic or other electronic evidence, even if you feel it is not important or relevant to the crime. Telephone calls, voicemails, e-mails, text messages, videos, photographs and other social media communications can be used to establish a timeline and assist with recall.
- Take photographs of any injuries, to include a full photograph of the person whose injuries are being documented. Take photographs of property damage, to include a photograph of individual items, the entire room where the damage is located, the outside of the residence where the photographs are being taken, etc. Copy or screenshot anything on a telephone, computer, tablet, etc. that may be removed and destroyed.
- Consider changing passwords and PIN numbers, if previously shared, so no one can access your phone, websites, storage clouds, accounts, etc. Be sure to keep these new passwords in a safe and secure location.
- Jot down notes to assist with future recall.

If you have any questions about the preservation of evidence, please contact the Stockton University Police Department at 609-652-4390.

## Written Notification of Rights And Options

When a student or employee reports to the institution that they have been a victim of dating violence, domestic violence, sexual assault or stalking, the University will provide written notification of rights and options including, procedures victims should follow; existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community. The written notification will also contain information about options for, available assistance in, and how to request, supportive measures such as changes to academic, living, transportation and working situations, as well as other protective measures.

## Protective and No-Contact Orders

In certain situations, a victim may apply for a temporary restraining order (TRO), which is designed to protect a victim of domestic violence. Restraining order applications may be made by appearing in person at the Domestic Violence Unit of the Superior Court, Family Division, in the appropriate county during normal business hours. Restraining orders may also be obtained at a police department in emergent situations, during hours when courts are closed. Applications can be made at a police department in the jurisdiction where the domestic violence occurred, where the suspect resides, or where the victim resides or is sheltered or temporarily staying. Stockton University Police can assist with determining where to make a report, depending on the specifics of the case. A hearing for the issuance of a final restraining order (FRO) is generally held within ten days after the issuance of a TRO. A restraining order may be issued with or without the signing of a criminal complaint.

A no contact order, for non-domestic situations, may be issued by a Judge upon the disposition of a criminal complaint. This request should be made to the prosecutor and/or Judge during court proceedings.

The Sexual Assault Survivor Protection Act of 2015 provides that a victim of nonconsensual sexual contact, sexual penetration, or lewdness, or any attempt at such conduct, and who does not fit the definition of a “victim” under the Prevention of Domestic Violence Act, may apply for a temporary protective order against the alleged perpetrator of such act(s).

If a temporary protective order is granted, it remains in effect until a final protective order hearing is held, typically within ten days of the issuance of the temporary order. A protective order may prohibit the alleged perpetrator from: committing or attempting to commit any future act of nonconsensual sexual contact, sexual penetration, or lewdness against the victim; entering the residence, property, school or place of employment of the victim; having any contact with the victim or others (contact includes personal, written, telephone or other electronic means). The order may also provide other relief as deemed appropriate.

Application for a temporary protective order may be made by appearing in person at the Superior Court, Family Division, in the appropriate county. Application may be made in a court having jurisdiction over the place where the alleged conduct or attempted conduct occurred, where the defendant resides, or where the victim resides or is sheltered.

Restraining orders, no contact orders and other protective orders shall be valid throughout the state and shall be enforced by all law enforcement officers.

## DATING VIOLENCE

Under New Jersey law, dating violence could be prosecuted under the domestic violence statutes, as well as under other laws, including harassment. It is also included within the category of offenses defined under recent legislative initiatives designed to address dating violence in school settings as follows:

- Dating violence” as “[a] pattern of behavior where one person threatens to use, or actually uses physical, sexual, verbal, or emotional abuse to control a dating partner.” N.J.S.A. 18A:37-34

## SEXUAL ASSAULT

New Jersey law, N.J.S.A. 2C:14-2, defines sexual assault as follows:

- Sexual assault
  - a. An actor is guilty of aggravated sexual assault if he commits an act of sexual penetration with another person under any one of the following circumstances:
    1. The victim is less than 13 years old;
    2. The victim is at least 13 but less than 16 years old; and
      - a. The actor is related to the victim by blood or affinity to the third degree; or
      - b. The actor has supervisory or disciplinary power over the victim by virtue of the actor’s legal, professional or occupational status; or
      - c. The actor is a resource family parent, a guardian, or stands in loco parentis within the household;

3. The act is committed during the commission, or attempted commission, whether alone or with one or more other persons, of robbery, kidnapping, homicide, aggravated assault on another, burglary, arson or criminal escape;

6. The actor uses physical force or coercion and severe personal injury is sustained by the victim;

The victim is one whom the actor knew or should have known was physically helpless or incapacitated, intellectually or mentally incapacitated, or had a mental disease or defect which rendered the victim temporarily or permanently incapable of understanding the nature of his conduct, including, but not limited to, being incapable of providing consent.

Aggravated sexual assault is a crime of the first degree.

Except as otherwise provided in subsection d. of this section, a person convicted under paragraph (1) of this subsection shall be sentenced to a specific term of years which shall be fixed by the court and shall be between 25 years and life imprisonment of which the person shall serve 25 years before being eligible for parole, unless a longer term of parole ineligibility is otherwise provided pursuant to this Title.

- b. An actor is guilty of sexual assault if he commits an act of sexual contact with a victim who is less than 13 years old and the actor is at least four years older than the victim.

    - c. The actor is a resource family parent, a guardian, or stands in loco parentis within the household.
  4. The victim is at least 13 but less than 16 years old and the actor is at least four years older than the victim.
- Sexual assault is a crime of the second degree.
  - d. Notwithstanding the provisions of subsection a. of this section, where a defendant is charged with a violation under paragraph (1) of subsection a. of this section, the prosecutor, in consideration of the interests of the victim, may offer a negotiated plea agreement in which the defendant would be sentenced to a specific term of imprisonment of not less than 15 years, during which the defendant shall not be eligible for parole. In such event, the court may accept the negotiated plea agreement and upon such conviction shall impose the term of imprisonment and period of parole ineligibility as provided for in the plea agreement, and may not impose a lesser term of imprisonment or parole or a lesser period of parole ineligibility than

that expressly provided in the plea agreement. The Attorney General shall develop guidelines to ensure the uniform exercise of discretion in making determinations regarding a negotiated reduction in the term of imprisonment and period of parole ineligibility set forth in subsection a. of this section.

## STALKING

New Jersey law, N.J.S.A. 2C:12-10, defines “stalking” as follows:

Definitions; stalking designated a crime;

- a. As used in this act:
  1. “Course of conduct” means repeatedly maintaining a visual or physical proximity to a person; directly, indirectly, or through third parties, by any action, method, device, or means, following, monitoring, observing, surveilling, threatening, or communicating to or about, a person, or interfering with a person’s property; repeatedly committing harassment against a person; or repeatedly conveying, or causing to be conveyed, verbal or written threats or threats conveyed by any other means of communication or threats implied by conduct or a combination thereof directed at or toward a person;
  2. “Repeatedly” means on two or more occasions;

- c. A person is guilty of a crime of the third degree if he commits the crime of stalking in violation of an existing court order prohibiting the behavior.
- d. A person who commits a second or subsequent offense of stalking against the same victim is guilty of a crime of the third degree.

- f. This act shall not apply to conduct which occurs during organized group picketing.

## CONSENT

New Jersey law, N.J.S.A. 2C:2-10, defines “consent” as follows:

- a. In general: The consent of the victim to conduct charged to constitute an offense or to the result thereof is a defense if such consent negatives an element of the offense or precludes the infliction of the harm or evil sought to be prevented by the law defining the offense.
- b. Consent to bodily harm: When conduct is charged to constitute an offense because it causes or threatens bodily harm, consent to such conduct or to the infliction of such harm is a defense if:
  1. The bodily harm consented to or threatened by the conduct consented to is not serious; or

2. The conduct and the harm are reasonably foreseeable hazards of joint participation in a concerted activity of a kind not forbidden by law; or
  3. The consent establishes a justification for the conduct under chapter 3 of the code.
- c. Ineffective consent: Unless otherwise provided by the code or by the law defining the offense, assent does not constitute consent if:
1. It is given by a person who is legally incompetent to authorize the conduct charged to constitute the offense; or
  2. It is given by a person who by reason of youth, mental disease or defect or intoxication is manifestly unable or known by the actor to be unable to make a reasonable judgment as to the nature of harmfulness of the conduct charged to constitute an offense; or
  3. It is induced by force, duress or deception of a kind sought to be prevented by the law defining the offense.

## Reporting an Incident of Sexual Assault, Dating or Domestic Violence, or Stalking

Individuals who wish to report an incident of sexual assault, to include rape, fondling, incest and statutory rape; dating or domestic violence; or stalking may do so in person, by telephone, by regular or electronic mail, email, or by submitting an online Incident Report using the following link: [stockton.edu/care-cs/how-do-i-report.html](http://stockton.edu/care-cs/how-do-i-report.html). Reports may be made by contacting University Police at 609-652-4390, the Title IX Coordinator at 609-652-4693, or to discuss confidentially and explore reporting options, students may contact the Women's, Gender and Sexuality Center at 609-626-3611 and employees may contact the Employee Assistance Plan (EAP) at 1-866-327-2400.

The decision to report a sexual assault, domestic violence, dating violence and/or stalking incident to University police or to file a formal complaint with the Title IX Coordinator is a personal one and is entirely the victim's choice, as is the option to decline making a report. Reporting to police or filing a formal complaint is not necessary for a victim to receive counseling or other supportive measures.

Should an individual choose to make a report to law enforcement, Stockton University authorities will comply with any request for assistance in notifying the proper law enforcement agency, whether it be University police or a local police agency, or the victim may decline to notify these agencies. Reporting to law enforcement generally involves a fact-finding interview, collection of evidence, witness and suspect interviews, and possibly criminal complaints, depending on the particular case. The University strongly encourages anyone who becomes aware of an incident of sexual misconduct which may be a crime to immediately report the incident to the Stockton University Police Department, to local law enforcement where the conduct occurred, or other appropriate law enforcement agencies.

## Privacy and Confidentiality in Reporting

There is a distinction between speaking with a confidential resource and making a report of prohibited conduct to the University. Any individual may choose to seek support from professionals on campus or in the community who hold a legally recognized privilege of confidentiality, such as advocates, counselors, and medical health providers. Speaking with a confidential resource does not constitute a report to the University of prohibited

conduct. In contrast to a confidential resource who has a legally-recognized privilege of confidentiality, all other University employees, including faculty members, are considered Responsible Employees under this procedure and are required to share information relating to a report of prohibited conduct with their respective supervisor, the Title IX Coordinator, or Deputy Title IX Coordinators. Confidentiality means that the information shared cannot be revealed without the express permission of the reporting individual, except where there is immediate and serious concern about the reporting individual's safety or the safety of others in the community. Privacy generally means that information related to a report of misconduct will only be shared with a limited circle of individuals, i.e., University employees who have a legitimate educational or administrative "need-to-know" in order to assist in the active review, investigation, or resolution of the report; the parties to an investigation under this Procedure – where required; and individuals required under applicable state and/or federal law, including the Family Educational Rights and Privacy Act ("FERPA") (20 U.S.C. § 1232g; 34 CFR Part 99), and/or Clery/VAWA §304. While not bound by confidentiality, these individuals will be discreet and respect the privacy of all individuals involved in the process.

## University Responsibility to Report

Stockton University encourages complainants of sexual misconduct to talk to someone about what happened – so complainants can get the support they need and the University can respond appropriately. Different employees on campus have different abilities to maintain a complainant's confidentiality.

Sexual misconduct is a broad term encompassing any unwelcome behavior of a sexual nature that is committed without consent or by force, intimidation, coercion, or manipulation, consistent with applicable local, state, and federal laws and regulations. Sexual misconduct includes, but is not limited to, sexual harassment; sexual assault to include rape, fondling, incest, statutory rape; dating or domestic violence; stalking; and gender-based harassment.

1. Some employees are required to maintain near complete confidentiality; talking to them is sometimes called a "privileged communication." Staff within the Women's, Gender, and Sexuality Center, the Osprey Advocates who are certified victim advocates, employees of Counseling Services, and the licensed physicians and nurses in Health Services will treat incidents in a completely confidential manner, except where there is immediate and serious concern about safety, either that of the person reporting or that of others. These employees will only disclose to the University that an incident of sexual misconduct has occurred, but without any personally identifying information, except if there is immediate and serious concern about safety, either that of the person reporting or that of others and/or if they are given permission to make an identifiable report.
2. Under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), an employee who is identified as a Campus Security Authority (CSA) may receive a report of sexual assault, domestic violence, dating violence or stalking, and report to the Clery Compliance Coordinator only that an incident occurred, without revealing any personally identifying information if the victim wants to remain anonymous. Speaking to a CSA about an incident will not trigger a police investigation against the Complainant's wishes and Complainant will not be identified in publicly required disclosures. The incident report will be used

for statistical reporting purposes and to determine if a timely warning should be sent out to the community. Reports of sex offenses must also be reported by the CSA to the Title IX Coordinator under Title IX. On an annual basis, the Clery Compliance Coordinator will, with assistance from the Office of Human Resources and Student Affairs, identify and notify individuals of their status as a CSA. For more information about the Clery Act, see University Procedure 6930 – Clery Act Compliance.

3. Some employees are required to report all the details of a reported incident of sexual assault, dating violence, domestic violence or stalking, including the identities of both the complainant and respondent, to the Title IX Coordinator. A report of sexual misconduct made to these employees, called “Responsible Employees,” constitutes a report to the University and generally obligates the University to perform an inquiry and/or investigate the incident and offer supportive measures and the opportunity to file a formal complaint. Stockton considers all employees to be Responsible Employees except those listed under #1 above.

This information is intended to make individuals, and particularly students, aware of the various reporting and confidential disclosure options available on campus in order to make informed choices about where to turn should they become a target of sexual violence and other forms of sexual misconduct. The University encourages complainants to talk to someone identified in one or more of these groups.

## Supportive Measures

Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Supportive measures are designed to restore or preserve equal access to the University’s education program or activity without unreasonably burdening the other party, including measures designed to: protect the safety of all parties or the University’s educational environment and workplace, maintain the integrity of the investigative and/or resolution process, and deter retaliation.

Supportive measures may include counseling, extensions of deadlines or other course related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in housing locations, leaves of absence, temporary reassignment to other work duties and responsibilities, other work locations, other work groups/teams, or other supervision/management, increased security and monitoring of certain areas of the campus, and other similar measures. Depending on the situation, these measures may be provided on an interim or permanent basis.

The University will maintain as confidential any supportive measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the supportive measures (e.g., where a no contact order is appropriate and one party would need to know the identity of the other party to comply with the no-contact order, or campus security is informed about the no contact order to help enforce its terms). The University also will communicate with the beneficiary of a supportive measure before sharing personally identifying information the University believes is necessary to provide the measure.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures; however, various University offices share responsibilities to provide supportive measures for the Complainant and the Respondent.

For example:

- The Women’s, Gender, and Sexuality Center (WGSC) [F-103] ensures confidentiality and provides advocacy and outreach to students related to issues addressing sexual and gender-based harassment, sexual misconduct, sexual assault, dating and domestic violence, stalking, and gender and sexual identities. The staff of the WGSC provides confidentiality, following up counseling, as well as referrals, where appropriate.
- The Stockton University Police Department [Building 70] can assist in the criminal investigative process, obtain and serve restraining order(s), and transport to an off-campus medical facility.
- The Dean of Students Office [CC-243] may require a student to undergo an individualized safety and risk analysis in order to determine if an emergency removal is needed. The Dean of Students staff also refers students to appropriate resources.
- The Office of Student Conduct [F-107] offers case management services to student Complainants and Respondents. The staff works with students to identify and implement appropriate supportive measures. The staff is also available to review the grievance process with student parties. The Office of Student Conduct also offers mediation as an informal resolution option.
- Health Services [WQ-108] provides students, among other services, confidential medical assistance including arranging transportation to an off-campus facility.
- The Title IX Coordinator [L-214] among other actions, supervises the investigations of administrative Title IX complaints. As necessary, the Title IX Coordinator may conduct the administrative Title IX investigation.
- The Office of Residential Life [A-100, Lakeside Lodge, and AC Residential Complex] assists in identifying temporary housing or residence hall relocation if requested or needed.
- The Office of Human Resources [J-115] may assist employees with the temporary reassignment to other work duties and responsibilities, other work locations, other work groups/teams, or other supervision/management, and may issue “no contact” directives pending the outcome of an investigation.

## Investigation of Complaint

The Title IX Coordinator will be responsible for overseeing the prompt, equitable, and impartial investigation during the formal complaint process. The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility shall rest on the University and not the parties. Whenever a formal resolution process is initiated, the Title IX Coordinator will designate investigators. The Title IX Coordinator will share the names and contact information of the investigators assigned to the investigation with the Complainant and Respondent. The investigator must be impartial, free of any actual conflict of interest, and have specific and relevant training and experience.

Upon receipt of the formal complaint or where a formal resolution process is deemed appropriate, the Title IX Coordinator/investigator(s) will promptly begin an investigation, which shall include but is not limited to the following: Conducting interviews with the Complainant, the Respondent, and any witnesses (including expert witnesses, where applicable) and transcribing such interviews in written form; visiting, inspecting, and taking photographs at relevant sites; where applicable, collecting and preserving relevant evidence (in cases of corresponding criminal reports, this step may be coordinated with law enforcement agencies); obtaining any relevant medical records pertaining to treatment of the Complainant, if the Complainant has voluntarily authorized release of the records in writing to the investigators. The investigator, along with assistance from the Complainant, Respondent, and witnesses, is responsible for gathering relevant evidence to the extent reasonably possible. To this end, the parties will be asked to identify witnesses and provide other relevant information, such as documents, communications, text messages, social media postings, photographs, and other evidence. Both persons are encouraged to provide all relevant information as promptly as possible to facilitate a timely resolution. If appropriate, the parties are encouraged to provide necessary releases to allow the investigator to gather additional, relevant, information.

## Presumption of Non-Responsibility and Standard of Proof

The investigation is a neutral, fact-gathering process. The Respondent is presumed to be not responsible. This presumption may be overcome only where the result of a University hearing is a conclusion that there is a sufficient basis, by a preponderance of the evidence, to support a finding that the Respondent violated the Campus Conduct Code. A preponderance of the evidence means that it is more likely than not, based upon the totality of all the relevant evidence and reasonable inferences from the evidence, that the Respondent violated the Campus Conduct Code.

## Time Frame for Completion of Investigation

The University's goal is to complete all investigations within a reasonably prompt timeframe. Some investigations may take longer due to complexity, unavailability of witnesses, or other extenuating circumstances. Should the investigation encounter significant delay, the Title IX Coordinator or case investigator will inform the parties of the reasons for the delay and the projected timetable.

## Inspection and Access to Evidence

After the gathering of evidence has been completed but prior to completion of the investigative report, the investigator will provide to each party and party's advisor, if any, any evidence obtained as part of the investigation that is directly related to the allegations that is not privileged or otherwise protected, including the evidence upon which the University does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence (whether obtained from a party or other source), so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. The evidence will be provided in an electronic format or a hard copy. The parties will have ten (10) business days to submit a written response to the evidence, which will be considered by the investigator prior to completion of the investigative report. The evidence will be made available for the parties to use at the hearing.

After the 10-day inspection period, and at least ten (10) business days prior to a hearing, the investigator will complete an investigative report that summarizes all relevant evidence and send it in electronic format or hard copy to each party and the party's advisor, if any, for their review and written response. The parties may provide a written response to the investigative report within five (5) business days after receiving it.

## Modification of Investigation Process

The University will follow the Investigation Process described herein, barring exceptional circumstances. The University reserves its right to adapt or modify the Investigation Process (including timelines) to ensure prompt, thorough, and equitable resolution of a report of prohibited conduct. In such instances, the University will notify all parties of the modification of the Investigation Process and, if appropriate, the circumstances requiring the adaptation or modification.

## Consolidation of Investigations

The Title IX Coordinator has the discretion to consolidate multiple reports against a Respondent and/or cross-complaints between a Complainant and a Respondent into one investigation, if the evidence related to each incident would be relevant and probative of the other(s). Matters may be consolidated where they involve multiple Complainants, multiple Respondents, or related conduct.

## Support Person and Advisor

All Complainants and Respondents are permitted to have a support person and an advisor of their choice present during any grievance proceeding, including any related meeting. The selection of a support person and advisor is up to the individual party, provided that the support person and advisor may not be directly involved in the matter for example as a Complainant, Respondent, or witness. The Complainant and Respondent must notify the meeting organizer at least two (2) business days before meeting of the attendance and names of the support person and/or advisor.

## Adjudication and Grievance Process

Sexual misconduct cases are heard by an external Hearing Officer. The Hearing Officer will receive annual training regarding the applicable University policies and procedures, the handling of sexual misconduct cases, and other relevant issues. The University's grievance process provides for a live hearing. Prior to the live hearing both the Complainant and the Respondent will be offered the opportunity to attend a Pre-Hearing Interview (PHI) meeting. At least ten (10) business days prior to the live hearing, the parties and their respective advisors will be informed of the identity of the hearing Officer, and will receive the investigative report summarizing relevant evidence, in a secure electronic format or a hard copy, for their review. Challenges to the investigative report or other must be made at the live hearing.

## Written Determinations

The Hearing Officer will issue a written determination regarding responsibility within ten (10) business days following the conclusion of the hearing. In cases involving three or more parties, the Hearing Officer shall have seventeen (17)

business days to issue the determination. The written determination will include: Identification of the allegations potentially constituting sexual harassment, sexual misconduct, or other conduct prohibited by the Campus Conduct Code; a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; findings of fact supporting the determination; conclusions regarding the application of the Campus Conduct Code and/or applicable policy to the facts; a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility; and the University's procedures and permissible bases for the Complainant and Respondent to appeal. The University will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the University provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

## Appeals

The University will offer both parties an appeal from a determination regarding responsibility, and from the University's dismissal of a formal complaint or any allegations therein and parties will have seven (7) business days after receipt of the written determination to submit an appeal. The University will notify the non-appealing party in writing when an appeal is filed. The appeal process is a written process, not a live hearing and parties may submit their appeal electronically to the link listed in the outcome letter. All parties will have reasonable time and equal opportunity to submit a written statement in support of, or challenging, the outcome and the decision-maker(s) for the appeal will not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator. The decision-maker(s) for the appeal will be compliant with the standards set forth in state law and federal regulations, regarding training and requirements, being free from bias and conflicts of interest, and maintaining impartiality. A written decision will be issued describing the result of the appeal and the rationale for the result and will be provided simultaneously to both parties.

## Sanctions

A student or employee determined "responsible" for an act of Prohibited Conduct under this Procedure or other relevant University policy is subject to disciplinary action. A final report of hearing findings will be forwarded to the Office of Care and Community Standards (for students) or the Human Resources Office (for employees) to determine the appropriate sanction(s). Disciplinary action may include – but is not limited to – a reprimand, probation, deferred suspension, administrative leave – with or without pay, or temporary or permanent separation from the University. Third Parties or invitees who violate this procedure or related University policy may have their relationship with Stockton terminated and/or their privilege of being on University premises withdrawn.

Student sanctions may be applied to address specific personal growth needs pertaining to the behavior that led to violation of the Campus Conduct Code. There are three categories of sanctions: status changes; educational; and fines or restitution. Status changes may be applied to reflect the seriousness of a behavior and range from a minimum of a warning to a maximum of expulsion from the University. Sanctions for sexual misconduct violations typically range

from a minimum of probation to a maximum of expulsion. Educational sanctions may include a workshop, online class, community service, training modules, etc. Fines are imposed for all cases with a “Responsible” finding. Fines will not exceed \$50.00. Restitution may be applied if the reported incident resulted in damages to University property.

Students who seek to have sanctions deferred during the Appeal Process must make a written request to The Office of Student Conduct within 24 hours of the notice of the decision. Not all sanctions are available for deferment. Individuals who receive a sanction of expulsion are not eligible for a deferment. Deferments may also include additional restrictions as appropriate (i.e. removal from housing; class attendance only; etc.).

If a student withdraws from the University or an employee separates from the University at any time after a report has been made, the University will continue with any of the processes for informal or formal resolution, even without the party’s participation.

The University may also, in its discretion, dismiss some or all of the allegations in the Formal Complaint. The determination as to how to resolve the report once a student or employee is no longer affiliated with the University will be based on the Title IX Coordinator’s assessment of the actions necessary to meet its Title IX obligations, in consultation with other institutional officials as appropriate.

If a student withdraws from the University after an administrative investigation has begun but prior to a finding or resolution, an entry may, in appropriate circumstances, be made on their transcript that indicates the student has withdrawn with a disciplinary investigation or complaint pending. As noted above, the University may elect to continue with the investigation.

If an employee separates from the University after an administrative investigation has begun but prior to disciplinary charges being filed, an entry may, in appropriate circumstances, be made in their personnel file that indicates that employment terminated with an investigation pending. The University may elect to continue with the investigation.

If an employee separates after disciplinary proceedings have been initiated but prior to resolution, an entry may, in appropriate circumstances, be made in their personnel file that indicates that employment terminated with disciplinary charges pending.

### PROHIBITION AGAINST RETALIATION

The University prohibits retaliation against any Complainant, Respondent, or individual involved in the investigation of allegations of sexual misconduct. All individuals who participate or cooperate in the reporting, investigating, supporting, and adjudicating of complaints are protected from retaliation. Individuals reporting incidents of sexual misconduct, and those reporting incidents of discrimination, harassment or violence, are all afforded the same considerations for confidentiality and privacy, and protections against retaliation.

The University will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by FERPA, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed under the procedures for sex discrimination, i.e., Procedure 1200 – Student Procedure Prohibiting Sexual Misconduct and Discrimination in the Academic / Educational Environment (students), and Procedure 6360 – Procedure for Internal Complaints Alleging Discrimination in the Workplace (employees).

### GOOD FAITH BELIEF IN REPORTING

There is an assumption of good faith belief in reporting. Complaints made in good faith, however, even if found to be unsubstantiated, shall not be considered false accusations.

Any employee or student who knowingly makes a false accusation of prohibited discrimination/harassment or knowingly provides false information in the course of an investigation of a complaint or during a judicial hearing, may be subjected to administrative and/or disciplinary action, up to and including termination of employment or suspension or expulsion from the residence halls and/or the University.

### INFORMAL RESOLUTIONS OF COMPLAINTS

At any time prior to reaching a determination regarding responsibility, the University may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The Complainant and Respondent must give their voluntary, written consent to the informal resolution process. The informal resolution process will not be utilized to resolve allegations that an employee sexually harassed a student. Prior to commencing the informal resolution process, the Title IX Coordinator or designee must provide the parties a written notice with the following information: notice of the allegations contained in the formal complaint; the requirements of the informal resolution process including the circumstances in which the parties would be precluded from resuming a formal complaint arising from the same allegations; and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared. At any time prior to agreeing to resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

## NEW JERSEY CAMPUS SEXUAL ASSAULT VICTIM'S BILL OF RIGHTS

Acts such as sexual assault, domestic violence, dating violence and stalking are prohibited by the University and are violations under NJ State Law, certain University Policies and Procedures and/or the Campus Conduct Code.

### **New Jersey Campus Sexual Assault Victim's Bill Of Rights**

A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the University community in achieving these ends.

The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. Respect for the individual and human dignity is of paramount importance in creating a community free from violence, sexual assault and non-consensual sexual contact.

The State of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long-lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure that the needs of victims are met and that the University and universities in New Jersey create and maintain communities that support human dignity.

### **Bill of Rights N.J.S.A.18A:61E-1 et.seq.:**

The following Rights shall be accorded to victims of sexual assault that occur:

- On the campus of any public or independent institution of higher education in the State of New Jersey, and
- Where the victim or alleged perpetrator is a student at that institution, and/or
- When the victim is a student involved in an off-campus sexual assault.

**Human Dignity Rights:**

- To be free from any suggestion that victims must report the crimes to be assured of any other right guaranteed under this policy
- To have any allegations of sexual assault treated seriously; the right to be treated with dignity
- To be free from any suggestion that victims are responsible for the commission of crimes against them
- To be free from any pressure from campus personnel to:
  - report crimes if the victim does not wish to do so
  - report crimes as lesser offenses than the victim perceives the crime to be
  - refrain from reporting crimes to avoid unwanted personal publicity

**Rights to Resources On and Off Campus:**

- To be notified of existing campus and community based medical, counseling, mental health and student services for victims of sexual assault whether or not the crime is formally reported to campus or civil authorities.
- To have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling
- To be informed of and assisted in exercising:
  - any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus (HIV) and/or pregnancy
  - any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases

**Campus Judicial Rights:**

- To be afforded the same access to legal assistance as the accused
- To be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused
- To be notified of the outcome of the sexual assault disciplinary proceeding against the accused

**Legal Rights:**

- To have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported
- To receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
- To receive full, prompt and victim-sensitive cooperation of campus personnel with regard to obtaining, securing, and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault

**Campus Intervention Rights:**

- To require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of a victim by the alleged assailant
- To be notified of the options for and provided assistance in changing academic and living situations if such changes are reasonably available

**Statutory Mandates:**

- Each campus must guarantee that this Bill of Rights is implemented. It is the obligation of the individual campus governing board to examine resources dedicated to services required and to make appropriate requests to increase or reallocate resources where necessary to ensure implementation.
- Each campus shall make every reasonable effort to ensure that every student at the institution receives a copy of this document. Nothing in this act or in any “Campus Assault Victim’s Bill of Rights,” developed in accordance with the provisions of this act, shall be construed to preclude or in any way restrict any public or independent institution of higher education in the state from reporting any suspected crime or offense to the appropriate law enforcement authorities.

**Disposition of Domestic Violence Complaints**

Domestic Violence pursuant to N.J.S.A 2C:25-17 means the occurrence of one or more offenses such as physical harm, bodily injury, assault or the infliction of fear of imminent physical harm, bodily injury or assault between family members, household members or residents sharing a room.

In cases when Stockton police make an arrest and/or when a Temporary Restraining Order has been issued for an allegation of domestic violence, the Stockton police shall file Campus Hearing Board charges and serve as the complainant in these matters.

**MISSING STUDENT/PERSON POLICY**

If a member of the Stockton community has reason to believe that a student is missing, they should immediately notify the Stockton Police Department at 609-652-4390. The Police Department will generate a missing person report and initiate an investigation. Should the Police Department determine that the student is missing, they will implement their missing persons procedures, which may include entry of the missing person into the National Crime Information Center (NCIC) database. Stockton Police will notify the local law enforcement agency when any student who resides in on campus housing has been determined to be missing for 24 hours. They will also notify the student’s emergency contact no later than 24 hours after the student has been determined missing. If the missing student is under the age of 18 and/or is not an emancipated individual, the police will notify the student’s legal parent or guardian immediately after they have determined that the student is missing. Students residing on-campus in residential facilities have the option to identify, confidentially, an individual to be contacted by the Stockton Police in the event the student is determined to be missing for 24 hours. If a student has identified such an individual, the police will notify that individual no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so by email, at [housing@stockton.edu](mailto:housing@stockton.edu) and indicate “Missing Person Report Contact” in the subject line. Registered confidential contact information will only be accessible to authorized campus officials, and it may not be disclosed, except to law enforcement personnel in the furtherance of a missing student investigation. If an employee or non-resident student is reported missing to the Stockton Police Department, they will notify the local police in the jurisdiction where that person resides. The Stockton Police Department will then assist that agency, as appropriate, in conducting an investigation.

## HAZING

Stockton recognizes that student organizations are an integral part of University life. They provide co-curricular opportunities contributing to the academic and social experience of students. This relationship carries with it certain rights of the University to protect and preserve an appropriate environment in which such student organizations may operate. Student organizations and their members are prohibited from engaging in or encouraging others to engage in any activity that is defined as hazing under current statutes and University policy.

New Jersey Law, N.J.S.A. 2C: 40-3. Hazing; aggravated hazing

- a. A person is guilty of hazing, a disorderly persons offense if, in connection with initiation of applicants to or members of a student or fraternal organization, he/she knowingly or recklessly organizes, promotes, facilitates or engages in any conduct, other than competitive athletic events, which places or may place another person in danger of bodily injury.
- b. A person is guilty of aggravated hazing, a crime of the fourth degree, if he/she commits an act prohibited in subsection a. which results in serious bodily injury to another person.

2C: 40-4. Consent not available as defense to hazing

Notwithstanding any other provision of Title 2C of the New Jersey Statutes to the contrary, consent shall not be available as a defense to a prosecution under this Act.

## WEAPONS ON CAMPUS

All state and federal statutes and local ordinances regarding the possession of firearms and weapons, including imitation firearms, both legal and illegal apply on all University property and at all University-sponsored events. The University has incorporated, by reference, the prohibition of firearms and weapons on the campus properties into its Campus Conduct Code. Members of the University community and the community at large charged with possession of a firearm or weapon on the University campus will be held accountable through the criminal justice system as well as through the appropriate administrative offices of the University. Information can be found in the New Jersey Code of Criminal Justice, Chapter 39: Firearms, Other Dangerous Weapons and Instruments of Crime. These statutes clearly articulate that firearms of any type are prohibited, "in or upon any part of the buildings and grounds of any college or university or other educational institution..."

Resident students charged under this chapter or who are present in any residential, recreational or academic area on campus where a violation is taking place, even if not actually in possession of a firearm or weapon, are subject to disciplinary action through the campus judicial process.

## WHISTLEBLOWER ACT

In accordance with New Jersey's Conscientious Employee Protection Act, also known as the "Whistleblower Act," University employees are protected from retaliatory action if they report illegal or improper activity engaged in by officials or employees of the University. Employees can make confidential or anonymous reports, if they choose.

Stockton University's Whistleblower Policy can be found at:

[stockton.edu/policy-procedure/policies.html](http://stockton.edu/policy-procedure/policies.html)

### CONSCIENTIOUS EMPLOYEE PROTECTION ACT "WHISTLEBLOWER ACT"

## RESIDENTIAL LIVING

The University provides housing at the Galloway and Atlantic City campuses for approximately 3,300 full-time students in two distinct residential styles – the apartment complexes and the residence halls – each with its own distinct style. Approximately 2,300 students reside in apartment and suite housing in five unique residential areas – Housing I, IV, V, Chris Gaupp and the Atlantic City Residential Complex. The residence halls, which comprise Housing II and III, offer a more traditional university lifestyle and provide housing for approximately 900, mostly freshman students. Residents are issued a combination of cards and keys to access their building and room.

The loss of a card and/or key must be reported through GetFood and then to the Office of Student Records (CC-203) to obtain a new ID card. Any lost cards should also be reported to the Stockton Police Department immediately. Residents are required to register their guests with a Residential Life staff member, and guests are not permitted in any building and/or unit without the resident present. The Office of Residential Life employs professional staff members for the overall management and supervision of the housing complexes. Several of these staff members reside within each of the complexes. These professional staff members are aided by a trained staff of Graduate Coordinators (GC) and Resident Assistants (RA). As members of the Residential Life staff, the GC and RA work to foster the development of a community in a floor, apartment or area, serving as a source of support for students who are experiencing an academic or personal concern. They serve as an administrator, education program planner and role model for the residents of the hall or apartment complex.

As with any living arrangement, the responsibility of ensuring a safe environment relies on students to exercise prudent preventative safety measures. Students and their guest visitors must share responsibility for their own personal safety and the safeguarding of their property. Residents should always lock their doors and windows. They should never permit anyone into their residence without proper identification. Residents should report all suspicious individuals whom they believe do not belong in their residential complex, and any unusual incidents in and around the complexes, to the police and housing staff immediately.

All students should refer to the Guest Visitation information within the **Guide to Residential Life** for more information about visiting housing areas.

## FIRE SAFETY and EMERGENCY EVACUATIONS

University Fire Safety and Prevention officers work closely with the Galloway Township and Atlantic City Fire Departments and the NJ Division of Fire Safety Fire Marshal regarding all aspects of fire safety. All residential complexes are equipped with fire detection and alarm systems and automatic sprinkler systems. They are also equipped with carbon monoxide (CO) detectors, except for Housing IV, which is not serviced with natural gas. The University Police Department's Communications section, composed of fully trained and certified communications operators, monitors around the clock a fire command system consisting of all fire alarm devices on campus. Thorough and detailed inspections of residential buildings are conducted once per year with the assistance of the State Fire Marshal. University personnel also conduct monthly inspections of all smoke detectors, CO detectors, sprinkler systems and fire extinguishers in all residential facilities. The University assesses the need for improvements to fire safety systems to ensure compliance with fire regulations. Future improvements will be made if determined necessary by the University.

Smoking, the use or possession of any type of open flame(s), and heaters of any kind (electrical, kerosene, etc.) are strictly prohibited in any University building. String lighting, lava lamps, halogen lights, heat lamps, Himalayan salt lamps and neon or black lights are not permitted in any residential building because of the intensity of heat generated by these devices. The use of cooking and food warming devices and portable heat producing items, other than approved microwave ovens, is prohibited. Microwaves are permitted according to the following guidelines: microwaves must not exceed the regulation of a UL listed 120 volts 60Hz and 1.1 kilowatts. Only one microwave per unit/apartment is permitted.

The Office of Residential Life, along with University Fire Safety and Prevention officers, conducts regular, supervised fire drills in all residential complexes. Fire safety and fire drill procedures are reviewed at opening meetings in all residential complexes at the start of the school year and evacuation assembly points are posted for all housing areas. For additional information regarding residential fire safety rules and regulations, please refer to the information contained in the **Guide to Residential Life** published by the Office of Residential Life and found by searching "Student Affairs publications" on the University's home page.

Whether in a residential complex or any campus building, all persons must evacuate when a fire alarm is activated. Upon hearing the alarm and/or seeing the visual strobe light signals, persons shall assume that an emergency exists; a fire, bomb threat or other emergency and/or major operational facilities malfunction. Persons should exit the building via the nearest exit doors and move at least 300 feet from the building to the designated evacuation assembly point. Exact locations for each residential complex can be found in the Guide to Residential Life. Individuals should be familiar with all exits in the event of an evacuation. In the event an exit is blocked or unsafe, the next available exit should be used. Elevators are not to be operated during an evacuation. Individuals who are physically challenged or require mobility assistance and find themselves in an upper level are to exit the building at the nearest bridge that

connects the buildings and await assistance from the police or fire departments. No one is to re-enter the building for any reason, unless or until a signal to do so is announced by the police or authorized fire personnel. Failure to evacuate is a violation of law and violators are subject to penalties prescribed by law. Police and fire officials are to be notified of anyone remaining in the building.

## FIRE SAFETY TIPS

- When a fire alarm sounds, exit your building immediately via the nearest exit if you are safely able to do so.
- Pull a fire alarm on your way out if you are safely able to do so.
- Know at least two exits from your room/building in case one is blocked.
- In the event of a fire, do not stop to retrieve personal belongings.
- If there is smoke, crawl low to the floor where the air is freshest.
- If you are unable to exit your room or the building, call 9-1-1 and advise of your location; yell out the window when help arrives. Hang a sheet or towel out the window to draw attention.
- If you are unable to exit your room, keep the door closed and place wet towels around and at the base of the door to keep smoke out.
- When cooking, stay in the kitchen to keep an eye on your food.
- Cooking after you have consumed excessive amounts of alcohol increases the chance of a fire.
- Do not pour water on a grease fire—it may cause the grease to splatter and burn you.
- If food in the microwave is on fire, leave the door closed and call 9-1-1.
- Clean the dryer lint trap before and after each use.
- Never cover smoke detectors.
- Keep clothing and other fabrics away from heaters and lamps.
- Be sure to turn off and unplug appliances.

**NOTE:** In 2020, due to COVID, the New Jersey Department of Community Affairs (DCA), Division of Fire Safety issued a document, Notice of Rule Waiver/Modification/Suspension Pursuant to Executive Order No. 103. This Notice issued by the DCA temporarily “relaxed” or suspended the requirement for fire evacuation drills on campuses, due to concerns over the virus, social distancing, the masking of participants and many other factors. At Stockton, evacuation drills were performed once at the beginning of 2020 and again in the Fall. The State Fire Marshal’s Office informed all state institutions that starting July 5th, 2021, this rule relaxation will end. Stockton University expects to resume performing the required evacuations drills starting in the Fall semester of 2021.

- **Weapons-Law Violations:** The violation of laws prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, knives, explosives, or other deadly weapons.
- **Dating Violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim, including but not limited to, sexual, physical abuse or the threat of such abuse. It does not include acts covered by domestic violence. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the person involved in the relationship.
- **Domestic Violence:** a felony or misdemeanor crime of violence committed by (1) a current or former spouse or intimate partner of the victim, (2) by a person with whom the victim shares a child in common (3) by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner (4) by a person similarly situated to a spouse of the victim under the domestic of family violence laws of New Jersey, or (5) by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of New Jersey.
- **Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

For the purposes of this definition—

- Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- Reasonable person means a person under similar circumstances and with similar identities to the victim.
- Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling.

**Hate Crime** is defined as a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Bias is a pre-formed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity or national origin. For Clery Act reporting purposes, hate crimes include any offense in the following list that is motivated by bias:

- Murder and Non-negligent Manslaughter
- Sexual Assault

- Robbery
- Aggravated Assault
- Burglary
- Motor-Vehicle Theft
- Arson
- Larceny-Theft is the unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another. Constructive possession is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.
- Simple assault is an unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.
- Intimidation is to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.
- Destruction/Damage/Vandalism of Property is to willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

## CRIME LOGS

The police department on the Galloway Campus maintains a Daily Crime Log, which documents all crimes that are reported and occur on Clery geography and the police patrol jurisdiction, as required by the Clery Act. Crime logs are also maintained at Stockton's other campuses, except for the Nacote Creek Marine Field Station. The crime logs are available for public inspection at the police department on the Galloway campus, the police substation at the Atlantic City Campus, and at security desks in Manahawkin and Hammonton, Monday through Friday during normal business hours. An electronic crime log is also available on the Clery page of the **stockton.edu** website. The University reserves the right to exclude crime report information from the log in certain circumstances.

## GEOGRAPHIC LOCATIONS EXPLAINED

Geographic locations are defined as follows:

**On-campus:** (1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and (2) any building or property that is within or reasonably contiguous to the area identified in paragraph (1), that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as food or retail vendor). Examples:

- University buildings, including those owned/or controlled by the University within 1 mile of the campus border;
- University residence halls (Housing I, Housing II, Housing III, Housing IV, Housing V, Chris Gaupp and Atlantic City Residential building);
- University owned or controlled land/property;
- University streets, sidewalks, parking lots;
- Property leased by the University.

**Non-campus:** (1) Any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution. Examples:

- University-owned buildings outside the core campus
- University-leased buildings outside the core campus

**Public Property:** All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the core campus, or immediately adjacent to and accessible from the core campus. Examples:

- City streets (e.g. portions of Jimmie Leeds Road, Pomona Road and Duerer St.)
- AtlantiCare Regional Medical Center – Mainland Division (includes only surrounding parking lots, Hackberry Dr., and Chris Gaupp Dr.)

Definition of “controlled” by means that institution rents, leases, or has some other type of written agreement (including an informal one, such as a letter or an email) for a building or property, or a portion of a building or property. Even if there is no payment involved in the transaction, under “the Clery Act”, a written agreement for use of space gives institution control of that space for the time period specified in the agreement.

## STOCKTON UNIVERSITY ANNUAL CRIME STATISTICS

### GALLOWAY CAMPUS

The main campus in Galloway, N.J. consists of over 1,600 acres, nestled in the Pinelands National Reserve, where classes began in 1972. Originally named the Richard Stockton State College, the first classes were held at the Mayflower Hotel in Atlantic City until the site in Galloway Township was completed.

Stockton currently has five campuses as defined by the Clery Act that require crime reporting—the main campus in Galloway, Stockton Atlantic City, Stockton University at Manahawkin, Stockton University at Hammonton and Nacote Creek Marine Field Station.

The Clery Act defines a separate campus as follows:

- The institution owns or controls the site;
- It is not reasonably geographically contiguous with the main campus;
- It has an organized program of study; and
- There is at least one person on site acting in an administrative capacity.

An “organized program of study” means the location offers courses in educational programs leading to a degree, certificate or other recognized credential.

# EMERGENCY RESOURCE GUIDE

[stockton.edu/alerts](http://stockton.edu/alerts)

Stockton Public Safety will issue emergency notifications when it is necessary to quickly and clearly notify the campus community of hazards that potentially may affect them.

Notifications will either be an **ADVISORY** or an **ALERT**.

**STOCKTON ADVISORY** - Advisory will precede a message that is informational in nature, where immediate action is not needed. Ex: Stockton ADVISORY - Road Closure VKF & Pomona Road

**STOCKTON ALERT** - Alert will precede a message that requires immediate action be taken. Ex: Stockton ALERT - ACTIVE INTRUDER (Followed by initial detail of the situation)

## FIRE

- When a fire alarm sounds, **EVACUATE**.
- Gather your personal belongings, if time permits (coats, keys, purse, etc.), and exit the building.
- Do **NOT** use elevators. Use stairs to reach ground level.
- Help direct people with special needs to a safe place.

## SHELTER IN PLACE

- If outside, seek shelter indoors immediately.
- Remain inside for your own safety.
- Do not exit building until Public Safety issues the **"ALL CLEAR"** message.

## SEVERE WEATHER

- Shelter in place.
- Select an interior room closest to ground level.
- Stay away from exterior doors and windows.
- In residence halls, move to the lowest level.
- Remain sheltered in place until Public Safety gives the **"ALL CLEAR"** message.

## EVACUATION

- When evacuation is ordered, follow the directions of Public Safety and Campus Administrators.
- Take personal belongings, if time permits.
- Evacuate in a safe, orderly manner via closest exit.

- Leave your belongings behind.
- Evacuate regardless of whether others agree to follow.
- Help others escape, if possible.
- Do not attempt to move the wounded.
- Prevent others from entering an area where the active shooter may be.
- Keep your hands visible.

**CALL 9-1-1 WHEN YOU ARE SAFE**

### HIDE
