GRANTS OFFICE

THE RICHARD STOCKTON COLLEGE OF NEW JERSEY

October 2011

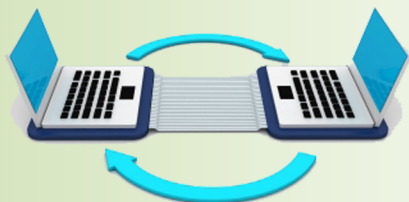

This year's Day of Scholarship has been scheduled for March 22, 2012 in our wonderful new Campus Center!

Fiscal Year 11 Internal Award grantees along with all other interested presenters are welcomed to apply for places on the agenda. We also ask that Faculty encourage their students to learn from the presentations. Keep an eye out for more exciting information to come!

Grants Insider Tip of the Month

One of the best ways to build insight into every stage of the proposal development, review, and funding continuum is to serve on peer review panels. Agencies such as the National Science Foundation (NSF), the National Endowment for the Humanities, and the National Institutes of Health (NIH) and are always looking for peer reviewers!

New IRB Application Process

After two years of work, the IRB will shift to a new online application process in October thanks to Jeanne in the Grants Office and Adam in Computer Services. The online transmittal will eliminate paper filing and help streamline the process.

Be sure to keep a watch for the instructional guide which will be made available shortly.
