April Fools Day join us for the

16th Annual Day of Scholarship

This year's April 1st, 2016 event promises dynamic oral and poster presentations along with a new format that is sure to engage the entire Stockton academic community!

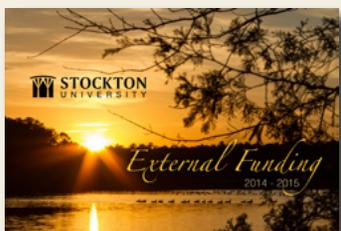

Mark the date on your syllabus! Faculty and Staff are encouraged to attend sessions to support colleagues and share in the scholarly interests of the University. The event is also an excellent opportunity for student learning.

Additional information is available on the Office of Research and Sponsored Programs website. [Applications](#) are due February 15, 2016.

Scholarly Activity – External Funding

The Office of Research and Sponsored Programs is proud to present a highlight of the [Fiscal Year 15 External Funding](#) recipients. Boasting over \$5,600,000.00 in combined funding received, the 26 Principal Investigators highlighted in this year's publication contribute to an array of research projects spanning various disciplines and contributing to the growth and continued success of Stockton University.

Congratulations Internal Award Recipients!

Congratulations is extended to the R&PD Scholarship of Engagement FY16 recipients. We look forward to hearing the outcomes of your projects.

Seasons Greeting and Happy New Year!

The Office of Research and Sponsored Programs would like to extend warm wishes this Holiday Season for you and yours. May your holidays be bright and your New Year filled with peace, good health and prosperity!

The B.U.D.S. CORNER

Thank you to all who attended and participated in our first B.U.D.S. Workshop. The workshop proved to be informative and an excellent opportunity for all to streamline the process of grant management. The [Power Point Presentations](#) viewed at the workshop are available for reference on the ORSP's website.

As a reminder, Grant Set-Up Meetings will be scheduled with each new external funding award to help keep processes consistent and efficient. Present at those meetings will be the Grant Accounting Team, the B.U.D. and the Principal Investigator.

The ORSP always maintains an open door policy and welcomes questions at any time.
