The Office of Research and Sponsored Programs in collaboration with Administration and Finance will soon be conducting a B.U.D.S. information session. This session will give B.U.D.S. an opportunity to highlight any 'tricks of the trade' they find useful in conducting their daily duties. The hope is that by sharing nuances in organization and budgeting habits, we can learn from one another and streamline the Grant post-award process.

Keep an eye to your email for details which will be forthcoming in early October.
