

# Fund Times

STOCKTON UNIVERSITY | OFFICE OF RESEARCH & SPONSORED PROGRAMS

March 2018

## Sustainable Materials Management Grants

**Agency Name:** Environmental Protection Agency

**Deadline:** March 30, 2018

**Estimated Total Program Funding:** \$50,000

**Expected Number of Awards:** 2

**Cost Share/Match Requirement:** No

**Grant Contact Information:** [Dale Carpenter](#)  
212.637.4110

This notice announces the availability of funds and solicits applications that support the EPA Sustainable Materials Management Program, for the benefit of States or communities within EPA Region 2 (New York, New Jersey, Puerto Rico, Virgin Islands). Sustainable materials management (SMM) is a systemic approach to using and reusing materials more productively over their entire life cycles. It represents a change in how our society thinks about the use of natural resources and environmental protection. By looking at a product's entire life cycle, we can find new opportunities to reduce environmental impacts, conserve resources and reduce costs.

## 18th Annual Day of Scholarship

Mark your calendars and plan your day to attend this year's event! Oral presentations, Posters, Pecha Kucha, Keynote Speaker and a mid-day break with give-aways! Faculty, Staff and Students are encouraged to attend!

Kick off the event with us in the Main Event Room with breakfast at 8:30, and our Keynote Speaker, Elizabeth Lacey at 9am. The Keynote will be followed by presentations, both oral and poster, as well as a Pecha Kucha session at 2pm immediately following lunch.

Please consider redirecting your classes, and/or offering extra credit as motivation for students to attend.

See the Guide Book to help you schedule your day:

## Welcome Student Workers

The Office of Research and Sponsored Programs would like to introduce our new Student Workers.

*Emily Rutter* comes to us as a Senior who is set to graduate in December 2018 with a degree in Business. Emily joins our team with an interest in research, and has already been an asset in a multitude of ways to the ORSP from her start in early January.

Emily also enjoys traveling and has enjoyed such adventures as this trip to Iceland's active volcano Eldfell, in May 2016.

*Megan Kelly*, Marine Biology major in her Junior year, joined the ORSP at the beginning of this Semester and has brought with her a great deal of energy and talent to our office.

Megan is interning this semester at Brigantine's Marine Mammal Center and brings her love of marine life with her on travels, as shown here with a newly hatched seaturtle on her trip to Cancun, Mexico in 2015.

## Grant Writing Workshop

The Office of Research and Sponsored Programs will once again be offering a Grant Writing Workshop over the summer. The [overview and application](#) process can be reviewed by interested applicants. Applications should be sent to Todd Regn in the ORSP by no later than Monday, April 9th.

The date/times of the workshop are scheduled as July 18-19th from 9AM-3PM and August 16th from 9AM-3PM.

## Contact Us

Have a question for the ORSP? Visit our [Staff Page](#) to and click on the link for "more information" to get to know what we each do and how we may help you.

Or visit us in E226, across from F-Wing and directly above the Library.

## Congratulations Internal Award Recipients

### R&PD Course Release FY19 Fall

*Stoler, Aaron*  
*Cummings, Cristina*  
*Gussman, Deborah*
