

ENVIRONMENTAL STUDIES MINOR				
Academic Year: 2021-2022			21-Credits	
A grade of C or better is required in all minor courses.			Electives at 3000/4000 level**	12
All courses must be selected in consultation with an ENVL faculty member and must be approved in advance.			ENVL_____	()
			ENVL_____	()
			ENVL_____	()
			ENVL_____	()
ENVL 1100 Intro to Environmental Studies OR SUST 2100 Environmental Sustainability ^{1*}	(4)			
Five credits at the 2000 ENVL level: ENVL 2200/05 Ecological Principles w/Lab OR ENVL 2100/05 Physical Geography w/Lab OR ENVL 2400 Statistical Analysis of Ecological Systems with ENVL 2600 Environmental Studies Seminar*	(5)			
¹ Student may be waived out of ENVL 1100 or SUST 2100 based on certain criteria to be determined in consultation with an Environmental Science faculty member. If a student is waived out of ENVL 1100, 10 credits should be taken from the 2000-level (two courses from the box labeled "Five Credits At the 2000 ENVL level.")				
*No more than 10 credits should be earned at the 1000 or 2000 level.				
**Electives are to be taken after completing 1000/2000 courses. You may need to contact the professor of the elective course for a permit to register. A minimum of 12 elective credits are required.				
No courses outside of ENVL, other than SUST 2100 or a course cross-listed with ENVL, will be accepted for the minor.				
Please refer to the program website for information about requirements, prerequisites, further details about the curriculum, and curriculum updates.				
Students should consult with their preceptor and/or the Center for Academic Advising on a regular basis to ensure that all graduation requirements have been met.
