- Students are encouraged to take overload and Summer courses to facilitate their progress towards graduation as necessary.
- Transfer students may not need to take all courses in the plan; they should consult with an academic advisor.

Additional Information

- **First-Year Studies (FRST):** All newly admitted freshmen or transfer students with 15 or fewer credits are required to fulfill the University's first-year competency requirement. The requirement may be met by demonstrating competency on the placement tests, or by passing, with a grade of C or better, all FRST courses: FRST 1101 – College Writing, 1002 – Critical Thinking and Reading, and 1103 – Quantitative Reasoning into which students have been placed. Students enrolled in FRST 1100 – Developmental Mathematics must receive a grade of C or better, and then enroll in and receive a grade of C or better in FRST 1103 to demonstrate competency. Full-time students must register for all required FRST courses in their first semester. Depending on time to completion of competency requirements, some students may need additional time for degree completion. *Note*- certain FRST courses also meet the requirements of the General Studies course distribution categories.
- **Cognate courses:** Cognates are courses in programs considered related to a student's major program. These most often consist of all programs within the same School, along with other specifically designated courses.

- **At-Some-Distance courses (ASD):** Courses considered "At-some-distance" are typically courses in any program outside of a student's major or cognate programs. These can include additional General Studies courses beyond the required credit distributions below.
- **General Studies and At-Some-Distance requirements:** Students completing a Bachelor of Arts degree must complete 64 credits of General Studies and At-Some-Distance with the distribution requirement of: 8 GAH, 4 GEN, 4 GIS, 8 GNM, 8 GSS and 16 ASD. Students transferring in with 64+ credits must meet the following credit distributions: 4 GIS and 12 any "G" category, with the remaining 48 in ASD (which will likely include transfer credits). Please see the current Academic Bulletin for more information on the General Studies curriculum.
- **General Studies attributes:** Students are required to complete one course with each of the following attributes attached: A – Arts, H – Historical Consciousness, V – Values/Ethics, and I – International/Multicultural. These courses can be found across the curriculum, in Program/cognate courses, General Studies, and At-Some-Distance.
- **W1/W2- Writing requirement:** Students are required to complete (C or better) four Writing (W1/W2) courses. One W1 is required in the first year, followed by an additional three W1 or W2, with one in the upper-level division (3000-level or higher). W1/W2 courses can be found in General Studies or Program/cognate courses depending on major.
- **Q1/Q2- Quantitative Reasoning:** Students are required to complete three Q1/Q2 courses, including at least one Q1 and one Q2 (the third course may be either Q1 or Q2). Q1/Q2 courses may be found in General Studies or Program/cognate course depending on major.
- **R1/R2- Race and Racism Education:** Students are required to two R1/R2 courses, including at least one R1 course (the second course may be either R1 or R2). R1/R2 courses may be found in General Studies or Program/cognate courses depending on major.
- **Minor program:** Students may select a Minor program of study, in consultation with their preceptor. Minor courses would fulfill requirements in the Degree Map according to the course subject under which they are offered.
