QUICK TIPS

BLACKBOARD TESTS

REDUCE CHEATING

QUESTION TYPES
BEYOND MEMORIZATION

Minimize cheating by using test questions that measure application of knowledge, attitudes or skills and involve critical thinking.
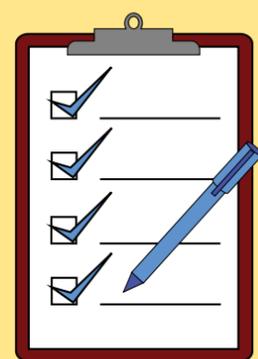

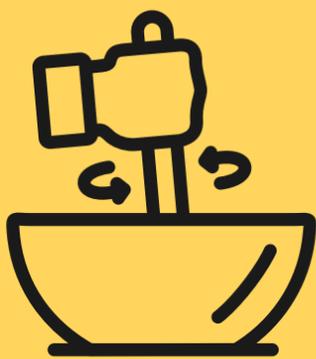

MIX IT UP
TEST QUESTIONS

Blackboard offers different question types. Explore using various question formats. Include an academic honesty question outlining expectations for the test.

RANDOMIZE
QUESTION ORDER

Blackboard allows you to randomize the order of your answers for each question and/or randomize question order to reduce students from sharing answers.
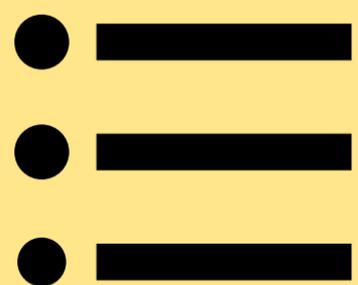

SET TIMER
TEST TIME

When releasing your Blackboard test, under Test Options, use **Set Timer** to set a test completion time. Allow 30-45 seconds for multiple choice questions.
