To re-enter the U.S. you will need:

- A valid Form I-20 endorsed for travel by the Office of Global Engagement within the past year
- Valid passport
- Valid visa

If you are participating in the OPT, in addition to the above documents you will need:

- EAD card
- Letter from an employer confirming that you are employed/have been offered employment

Remember: If you have been approved for OPT but do not yet have a written job offer you cannot leave the U.S. If you do leave the U.S., it will serve as an indication that you are no longer interested in the OPT employment, which will terminate your OPT and prevent you from re-entering the United States.

I attest to the validity and accuracy of the information listed above and on my Form I-20. I hereby certify to have read and understood the travel warnings and requirements listed on this form.
