### Department of the Interior, Fish and Wildlife Service

Request for PreProposals to develop and or improve climate change actions' affect on linkages between ecological and human resources. The notice is seeking applications to address natural and cultural resource managers' needs as they work to understand and adapt to our regions changing climate and/or other landscape-scale stressors. Project proposals should be developed in coordination with end-users and decision-relevant needs/outcomes must be clearly identified.

Applications are due March 18, 2016. Approximately \$200,000 is available to support up to five awards.

For more information visit: [Grants.gov](http://Grants.gov) or contact:

## Principal Investigator Responsibility in Funding

The person ultimately responsible for managing the timely implementation and completion of a specific project is the Principal Investigator/Project Director. Principal investigators must ensure compliance with sponsor regulations for project costs incurred, patents, or licensing and reporting requirements, as appropriate.

## 16th Annual Day of Scholarship

Join the Office of Research and Sponsored Programs on April Fools Day! This April 1st, 2016 event promises dynamic oral and poster presentations along with the new format **Pecha Kucha** which is sure to engage the entire Stockton academic community!

What is *Pecha Kucha*?

Mark the date on your syllabus! Faculty and Staff are encouraged to attend sessions to support colleagues and share in the scholarly interests of the University. The event is also an excellent opportunity for student learning.

Additional information is available on the Office of Research and Sponsored Programs website. [Applications](#) are due February 15, 2016.

## The B.U.D.S. CORNER

With the beginning of the Spring Semester upon us, we remind all to review their grant accounts to ensure that payroll charges are posted correctly.

Should you have any questions contact Joan Joseph at extension 4327.

## Noyce Foundation to Sunset After 24 Years of STEM Education Philanthropy

In the January 20, 2016 edition of GRANTWEEK, the Grants Resource Center reports that the Noyce Foundation, a California based organization focusing on STEM education in public schools and other education issues, permanently closed its doors last month.
